SANTA FE COUNTY
Public Safety Department
Non-Audible Alert System
RFP No 2025-0074-PSDTS

ADDENDUM NO. 1

Dear Proponents,

This addendum is issued to reflect the following immediately. It shall be the responsibility of interested Offerors to adhere to any changes or revisions to the RFP as identified in this Addendum No. 1. This documentation shall become permanent and made part of the departmental files.

Attachment A: Pre-proposal Agenda and Sign-In Sheet

QUESTIONS AND ANSWERS:

1. What is the current primary alerting method to notify responders of a call?

A. Examples: Radio Frequency (RF) via base radio/mobile radio at each station, Internet Protocol (IP) via CAD API, or Other

Answer: The primary alerting method in our stations is Radio Frequency via a base radio at each station. All stations have speakers throughout the station while one station has lighting tied to the base station which turns on when a call is received.

B. Is that alert specific to the unit(s) assigned to the call, the station(s) assigned to the call, or department-wide for all calls?

Answer: Each station has its own two-tone radio alert. Thus, we do not page each individual unit, only a station tone and the paid staff identifies which crews/apparatus need to respond.

2. Can floor plans of all stations with room labels be provided to design a system that offers full coverage and best suits the needs of the department?

Answer: YES. Floor plans will be provided to the selected Offeror.

3. Can you please provide POC info from Central Square to discuss implementation and associated costs, if required?

Answer: YES. POC information will be provided to the selected Offeror.

Please add Addendum No. 1 to the original proposal documents and refer to proposal documents, hereto as such. This and all subsequent addenda will become part of any resulting contract documents and have effects as if original issued. All other unaffected sections will have their original interpretation and remain in full force and effect. Responders are reminded that any questions or need for clarification must be addressed to Timothy Sintas, Procurement Specialist Senior at tsintas@santafecountynm.gov.

Pre-Proposal Conference

RFP No. 2025-0074-PSDTS

Non-Audible Fire-Fighter Alerting System

Tuesday April 15, 2025-1:30 PM

Procurement Information

The Santa Fe County Fire Department is requesting proposals from qualified entities to provide a non-audible alert system for the Santa Fe County Fire Fighters.

- Carefully read the Request for Proposal for requirements, terms & conditions including the sample agreement (Sample agreement starts on page 32)
- Sequence of Events are listed on page 11
- Proposal Organization - Proposal should be organized as outlined in the RFP on page 21 and 22
- Selection of finalist – the most qualified proposal received based on the evaluation criteria outlined in the RFP (Pages 24 & 25) will be scored by a three to five-member evaluation committee

The County offers the following Preferences (Page 25):

N.M. In-State Business/Native American Preference Certificate

OR

N.M. Resident Veterans Preference Certificate/Native American Veterans,

AND

Santa Fe County Preference,

<https://www.santafecountynm.gov/finance/purchasing-division>

Please note that only current certificates copies will be considered for points. Simply stating that you have a certificate or prints from web site is not sufficient for any points

Please submit the Acknowledgement of Receipt Form by COB April 16, 2025

Please submit all questions via email to Timothy Sintas at tsintas@santafecountynm.gov . The last day for questions will be Monday April 21, 2025. **(Any other contact with any other county staff member or persons other than the Procurement Specialist Senior Timothy Sintas may be grounds for disqualification.)**

Response to Questions: Addendum will be issued on **Friday February 25, 2025** (Only questions answered by formal written addenda will be binding. Oral and other interpretations or clarifications will be without legal effect.)

Proposal Submittal- Due Date: **Friday, May 09, 2025 Time: 2:00 PM**

Location: 102 Grant Avenue 1st floor, Santa Fe, NM 87501

Electronic submissions also available utilizing Dropbox Link:

Background:

The Santa Fe County Fire Department is seeking a non-audible alerting solution to enhance safety and efficiency by reducing reliance on audible alerts. This approach will minimize interference with critical radio transmissions and promote awareness in high-noise environments.
