ENGINEERING SERVICES

RFP #2016-0168-PW/IC

ADDENDUM #1

Dear Offerors,

This addendum is issued to reflect the following immediately. It shall be the responsibility of interested offeror to adhere to any changes or revisions to the RFP as identified in this Addendum No. 1. This documentation shall become permanent and made part of the departmental files.

On March 3, 2016 Santa Fe County held the pre-proposal conference for the above referenced Request for Proposals (RFP). Listed below are questions received via email.

****Clarification** Attached is a survey and an Ariel View of the property**

- NE corner of the property is actually on the pavement at the entrance to the post office/clinic and Main Street as shown on aerial.
- NW corner of the property is located at adjacent property.
- SW corner of the property is located near river on outcrop.

Question 1: Firm A is in Bernalillo County and has a Resident Veteran Business Certificate (10%)
Firm B is Santa Fe County Resident (5%)
If Firm A and Firm B respond as a Joint Venture will the team receive a total of 15% preference?

Response 1: No. The certificate would have to be specifically for the new Joint Venture/partnership not for an individual member/firm within the partnership in order to receive any points.

Question 2: Is it possible to increase this page limit to 20?

Response 2: Yes, 10 pages front and back= 20 pages excluding all appendices, table of contents and letter of transmittal.

Please add this Addendum #1 to the original bid documents and refer to bid documents, hereto as such. This and all subsequent addenda will become part of any resulting contract documents and have effects as if original issued. All other unaffected sections will have their original interpretation and remain in full force and effect.

Proponents are reminded that any questions or need for clarification must be addressed to Iris Cordova, Senior Procurement Specialist at icordova@santafecountynm.gov.
