ARROYO JACONA LOW WATER CROSSING

ADDENDUM NO. 2

Dear Proponents,

This addendum is issued to reflect the following immediately. It shall be the responsibility of interested Offerors to adhere to any changes or revisions to the RFP as identified in this Addendum No. 2. This documentation shall become permanent and made part of the departmental files.

Question No. 1: What is the license requirement for this project?

Answer No. 1: GA-1 or GA-98. In accordance with New Mexico Regulations and Licensing Department License Classifications and Scopes a GB-98 may not bid and contract as the prime contractor of an entire project if the major portion of the work to be performed based on the dollar amount, is covered by the scope of any GA or any of the following GF classifications: GF 1, 2, 3,4, 6, 8 & 9.

Please add this Addendum No. 2 to the original bid documents and refer to bid documents, hereto as such. This and all subsequent addenda will become part of any resulting contract documents and have effects as if original issued. All other unaffected sections will have their original interpretation and remain in full force and effect. Responders are reminded that any questions or need for clarification must be addressed to Maricela Martinez, Procurement Specialist Senior at mcmartinez@santafecountynm.gov.
