ADDENDUM #3

Dear Proponents,

This addendum is issued to reflect the following immediately. It shall be the responsibility of interested Offerors to adhere to any changes or revisions to the RFP as identified in this Addendum No. 3. This documentation shall become permanent and made part of the departmental files.

Clarification #1: **BID SECURITY:** A bid security in the amount of \$5,000 shall accompany the bid proposal in step 2 and must be in the form of a certified or bank cashier's check made payable to Santa Fe County or the Bidder or a bid bond issued by a surety licensed to conduct business in the State of New Mexico, or other supplies in a form satisfactory to the County. The bid security of the successful bidder shall be retained until it has executed the price agreement and furnished the required bid security, whereupon it will be returned. If the successful bidder fails to execute and deliver the price agreement and furnish the required bid security within ten (10) days of the Notice of Award, the County may annul the Notice of Award and the bid security of that bidder will be forfeited.

Question #1: Is a bid bond required for this bid?

Answer #1: This is a Request for Proposal (RFP) and the submission of proposals will be a two-step process that consists of 1) prequalification of Offeror and 2) the bidding phase. No bid bonds and/or securities will be required for step 1. Only pre-qualified offerors invited to continue to step 2 who will be submitting a bid will require a \$5,000 bid security.

Please add this Addendum #3 to the original proposal documents and refer to proposal documents, hereto as such. This and all subsequent addenda will become part of any resulting contract documents and have effects as if original issued. All other unaffected sections will have their original interpretation and remain in full force and effect. Responders are reminded that any questions or need for clarification must be addressed to Maricela Martinez, Senior Procurement Specialist at mcmartinez@santafecountynm.gov.
