**ADDENDUM #5**

Dear Proponents,

This addendum is issued to reflect the following immediately. It shall be the responsibility of interested bidders to adhere to any changes or revisions to the IFB as identified in this Addendum No. 5. This documentation shall become permanent and made part of the departmental files.

---

**NOTICE TO CONTRACTOR REGARDING PRE-CAST  
CULVERT BOX:**

Contractor shall install the Pre-Cast Box Culvert (CBC), so that there is at least an 18' driving surface once the road is reopened during construction. If used, temporary concrete wall barrier shall be pinned and connected together. Suppliers have stated that they can manufacture the skewed end sections by striking off the unneeded green concrete. The contractor will have to cut the steel reinforcement. The Concrete Box Culvert can be a combination of precast and cast in place concrete. All concrete used in the Concrete Box Culvert shall have an approved NMDOT mix design. Contractor shall account for the wasted material in his unit prices. The Concrete Box Culvert will be paid for by the linear feet, complete in place.

*The deadline for bid submittal has been extended until **March 8, 2017 @ 2:00PM MST.** Questions based on this Addendum will be accepted until February 24, 2017.*

Please add this Addendum No. 5 to the original bid documents and refer to bid documents, hereto as such. This and all subsequent addenda will become part of any resulting contract documents and have effects as if original issued. All other unaffected sections will have their original interpretation and remain in full force and effect. Responders are reminded that any questions or need for clarification must be addressed to Maricela Martinez, Senior Procurement Specialist at [mcmartinez@santafecountynm.gov](mailto:mcmartinez@santafecountynm.gov).
