Below are questions received by the deadline via email.

---

**Question 1:** Is the County willing to negotiate the indemnification clause in the contract?

**Response 1:** Please refer to Section C "General Requirements" number 15 and number 16 of the RFP, any deviations to the contract must follow the instructions under these sections for the County's consideration. However, the County's ability to deviate from the indemnification clause is limited by the NM Constitution, Article IX, Sec. 10.

This and all subsequent addenda will become part of any resulting contract documents and have effects as if original issued.
