RE: Notice of Evaluation Outcome for RFP# 2026-0023-PSD-RFP for the Acquisition and Implementation of a Jail Management System

The following Proposals were received for the subject solicitation:

Global Jail Tracker	Cirquar
Central Square	Tyler Technologies
EIS	Autonomy Today

Firms Shortlisted: Enterprise Information Systems (EIS), Global Jail Tracker and Central Square

Firms not Shortlisted: Autonomy Today, Cirquar Inc. and Tyler Technologies

ORAL PRESENTATIONS:

The committee evaluated each shortlisted Offeror across six categories on a 1–5 scale. The average scores are shown below:

Evaluation Category	Jail Tracker	EIS	Central Square
Booking & Release	4	4	3
Security	4	4	3
Administration & Reporting	5	4	3
Programs	4	3	3
Investigations & Misconducts	4	3	3
Presentations	5	3	3
Overall Average Score	4	4	3
Total Points (of 30)	26	21	18

The evaluation committee recognized the professionalism and quality of the Global Jail Tracker system demonstration. The selected system, Global Jail Tracker, was chosen for its functionality, ease of navigation, and comprehensive reporting tools that best met the County’s operational and administrative needs.

We sincerely thank you again for your participation in this competitive process and for the thoughtful effort put into your submission.

Thank you,
