Should any specified brands or models be listed incorrectly, discontinued or improved, the bidder shall note such changes in its responses and include the pertinent details regarding the change. In the event the item has been discontinued, the bidder will be allowed to propose comparable goods or services along with the necessary supplemental documentation supporting their position.

25. **Collusion:** No bidder shall submit more than one bid in response to this IFB. Collusion among bidders or the submission of more than one bid under different names by any firms or individual shall be cause for rejection of all bids in question without consideration.

28. **Bid Security:** Bid Security in the amount of *five hundred dollars (\$500.00)* shall accompany the bid. Security may be in the form of a certified check or bank cashier's check made payable to Santa Fe County or a bid bond issued by a surety licensed to conduct business in the State of New Mexico, or other surety in form satisfactory to the County. The Bid Security of the successful bidder will be retained until the bidder has executed the Agreement, whereupon the bid security will be returned. If the bidder fails to execute and deliver the Agreement within ten (10) days of Notice of Award, the County may cancel the Notice of Award and the Bid Security of that bidder will be forfeited. **The Bid Security of any bidder whom the County believes to have a reasonable chance of receiving the award may be retained by the County until either the seventh day after the executed Agreement is delivered by the County to the Contractor and the required Contract Security is furnished, or the sixty-first day after the bid opening, whichever is earlier. Bid security of other bidders will be returned within thirty (30) days of the bid opening.**

Bid Security in the form of checks, except the Bid Security of the two lowest bidders, will be returned immediately following the opening and checking of the bids. The retained Bid Security of the unsuccessful of the two lowest bidders, if in the form of a check, will be returned within fifteen (15) days following the award of contract. The retained Bid Security

of the successful bidder, if in the form of a check, will be returned after a satisfactory contract bond has been furnished and the contract has been executed. Bid Securities in the form of Bid Bonds will be returned only upon the request of the unsuccessful bidder, but will be released by the County Purchasing Agent after the Notice to Award is sent by the County.

29. **Insurance Requirements:** At a minimum upon execution of the Agreement between the County and the contractor, the contractor shall furnish to the County, Certificates of Insurance naming Santa Fe County as an additional insured on the insurance coverage set forth in the terms and conditions of the Service Agreement.

31. **Preferences in Procurement:**

A. New Mexico In-state Preference.

New Mexico law, Section 13-1-21 et seq., NMSA 1978, provides a preference in the award of a public works contract for an “**in-state resident business**”. Application of a resident business preference requires the bidder to provide a copy of a valid and current certification as a resident business. Certificates are issued by the State Taxation and Revenue Department.

If a bidder submits with its bid a copy of a valid and current in-state resident business certificate, the bidder’s bid will be deemed to be 5% lower than the bid actually submitted.

Certification by the Department of Taxation and Revenue takes into consideration such activities as the business’ payment of property taxes or rent in the state, and payment of unemployment insurance on employees who are residents of the state.

OR

B. New Mexico Resident Veteran Preference.

New Mexico law, Section 13-1-22 NMSA 1978, provides a preference in the award of a public works contract for a “**resident veteran business**”. Certification by the Department of Taxation and Revenue for the resident veteran business requires the bidder to provide evidence of annual revenue and other evidence of veteran status.

A bidder who wants the veteran business preference to be applied to its bid is required to submit with its bid the certification from the Department of Taxation and Revenue and the sworn affidavit attached hereto as Appendix D.

If a bidder submits with its bid a copy of a valid and current veteran resident business certificate, the bidder's bid will be deemed to be 10%, 8% or 7% lower than the bid actually received, depending on the business' annual revenue.

The resident business preference is not cumulative with the resident veteran business preference.

The in-state, veteran or County preferences do not apply to procurement of services or goods involving federal funds or federal grant funds.

Additional information about obtaining the certificate as a resident contractor and resident veteran contractor may be found at:
