

Vendor Proposal Identification Schedule

Vendors are required to identify which of the Jail Management System modules they are proposing. By completing the *Vendor Proposal Identification Schedule*, vendors will clarify their proposal intent to Santa Fe County.

To identify the Jail Management System(s) of interest, each vendor must place an “**X**” on the line, which appears to the left of each designated Jail Management System within the scope of work for RFP NO. 2026-0023-PSD.
