Each presentation will be evaluated by the Selection Committee. The oral presentation that receives the highest points and is most advantageous to the County, taking into consideration the evaluation factors in Section VI, will be recommended for contract award as specified in Section III.B.11. Only the points from the Oral Presentation will be calculated for most & highest qualified firms. Points from the "shortlisted" evaluations will only be used if there is a tie resulting from the Oral Presentations. Please note, however, that a serious deficiency in the response to any one factor may be grounds for rejection regardless of overall score.
5. Past performance in a project for the County (See Section V.B.4 above) is a significant consideration of the evaluation and poor performance on a prior County project may result in a lower number of points awarded to a proposal for this element of the evaluation.
