II. CONTRACT OBJECTIVES

A. PROJECT BACKGROUND

The Thornton Ranch Open Space is the largest Santa Fe Open Space, with a total area of approximately 2,430 acres. The property is located off County Road 42 and Camino los Abuelos in the heart of the Galisteo Basin near the town of Galisteo in New Mexico. Santa Fe County purchased the property to protect the significant cultural and natural resources on the property and to provide opportunities for public access and interpretation of the unique landscape of the Galisteo Basin. The Thornton Ranch Open Space includes approximately 320 acres of New Mexico State Trust Land under a business lease with the New Mexico State Land Office and approximately 207 acres of Bureau of Land Management (BLM) land in the Burn Corn SRMA. Santa Fe County adopted a Master Plan for the Thornton Ranch Open Space in 2017. The County is currently in the process of implementing the Master Plan.

B. SCOPE OF WORK

The County is in the process of implementing the Master Plan for the Thornton Ranch Open Space which includes visitor facilities, trails, and trailheads that will allow the public to access the property for recreational and educational activities.

The Scope of Work includes, but is not limited to:

- a) Review the Thornton Ranch Master Plan, Thornton Ranch Management Plan, previous cultural resource inventories, and any other applicable documents in the County's project file.
- b) Complete a cultural resource survey of approximately 87 acres that have not been previously surveyed:
 1. Approximately 7 acres of New Mexico State Trust Land, that portion of the NE1/4 NE1/4 Section 33 T14N R 9E laying north of the railroad
 2. Approximately 80 acres of the Bureau of Land Management (BLM) Cuerva Allotment 917, that portion of the SE 1/4 Section 31 T14N R 9E laying north of the railroad
- c) Prepare a final report for submittal to the State Land Office, Bureau of Land Management, and New Mexico State Historic Preservation Officer (SHPO).
- d) Complete an historical study of the post-contact settlement, ranching and railroad history of the project area including the Village of Galisteo, NM, Atchison, Topeka and Santa Fe Railroad (AT&SF), Kennedy Station and town site, Ortiz Station, New Mexico Central Railroad, and other historic sites as appropriate to provide the basis for an interpretive program.

e) Complete mitigation measures necessary to allow the public to visit the abandoned railroad grade of the historic Atchison, Topeka and Santa Fe Railroad (AT&SF), Kennedy town site, New Mexico Central Railroad, and the historic structures and windmills identified by the master plan as potential interpretive sites for visitors. Consult with the New Mexico State Historic Preservation Officer (SHPO). Develop a data recovery plan and obtain approval from the New Mexico Cultural Properties Review Committee. Complete the data recovery.

f) Prepare an Environmental Assessment in compliance with the National Environmental Policy Act (NEPA) and BLM requirements for approximately 207 acres of the Kennedy Allotment 926 and Cuerva Allotment 917, NW 1/4 SW 1/4 of Section 29, NW 1/4 of Section 33, that portion of NW 1/4 SE 1/4 and NE 1/4 SW 1/4 Section 32 laying north of the railroad, and that portion of the SE 1/4 Section 31 laying north of the railroad all in T14N R9E for the Thornton Ranch Master Plan proposed action.

The purpose of the cultural resource inventory of the approximately 7 acres of State Trust Land is to provide the required archaeological survey for the County to submit an application to amend the current business lease with the NM State Land Office to include this area.

The purpose of the cultural resource inventory of the approximately 80 acres of BLM land and the Environmental Assessment of the BLM land within the Thornton Ranch Open Space boundary is to provide the necessary documentation for the County and BLM to enter into a cooperative management agreement.

A. ***New Mexico In-state Preference.***

Application of a resident contractor preference for any Offeror requires the Offeror to provide a copy of a valid and current certificate as a resident contractor. Certificates are issued by the state taxation and revenue department.

If an Offeror submits with its proposal a copy of a valid and current in-state resident contractor certificate, 5% of the total weight of all evaluation factors used in the evaluation of proposals may be awarded or added to the Offerors score.

Certification by the department of taxation and revenue for the resident contractor takes into consideration such activities as the business’ payment of property taxes or rent in the state and payment of unemployment insurance on employees who are residents of the state.

OR

B. ***New Mexico Resident Veteran Preference.***

New Mexico law, Section 13-1-22 NMSA 1978, provides a preference in the award of a public works contract for a “**resident veteran contractor**”. Certification by the department of taxation and revenue for the resident veteran contractor requires the Offeror to provide evidence of annual revenue and other evidence of veteran status.

An Offeror who wants the veteran contractor preference to be applied to its proposal is required to submit with its proposal the certification from the department of taxation and revenue and the sworn affidavit attached hereto as Appendix C.

If an Offeror submits with its proposal a copy of a valid and current veteran resident contractor certificate, 10% of the total weight of all the evaluation factors used in the evaluation of proposals may be awarded or added to the Offeror’s score, depending on the contractor’s annual revenue.

The resident contractor preference is not cumulative with the resident veteran contractor preference.

AND

C. **Santa Fe County Preference**

Santa Fe County Ordinance 2012-4 provides for a **County preference** for a “Santa Fe County business.” Application of the County preference in procurement requires an Offeror to obtain and provide a Santa Fe County Business Certificate issued by the Santa Fe County Procurement Manager. Certification by the Procurement Manager takes into consideration the business’ corporate standing in the state, business licensure or registration, the duration of the business’ primary office location and the payment of taxes.

If an Offeror submits with its proposal a copy of its Santa Fe County Business Certificate issued by the Purchasing Manager, 5% of the total weight of all the evaluation factors used in the evaluation of proposals may be awarded to the Offerors score.

The in-state, veteran or County preferences do not apply to procurement of services or goods involving federal funds or federal grant funds.
