15. **Contract Terms and Conditions**

The contract between the County and the contractor will follow the format specified by the County and contain the terms and conditions set forth in Appendix D. However, the County reserves the right to negotiate with a successful Offeror provisions in addition to those contained in this RFP.

Should an Offeror object to any of the County's terms and conditions, as contained in this Section or in Appendix D, that Offeror must propose specific alternative language. The County may or may not accept the alternative language. General references to the Offeror's terms and conditions or attempts at complete substitutions are not acceptable to the County and will result in disqualification of the Offeror's proposal.

Offerors must provide a brief discussion of the purpose and impact, if any, of each proposed change followed by the specific proposed alternate wording.

16. **Contract Deviations**

Any additional terms and conditions, which may be the subject of negotiation, will be discussed only between the County and the selected Offeror and shall not be deemed an opportunity to amend the Offeror's proposal.

17. **Offeror Qualifications**

The Evaluation Committee may make such investigations as necessary to determine the ability of the Offeror to adhere to the requirements specified within this RFP. The Evaluation Committee will reject the proposal of any Offeror who is not a responsible
Offeror or fails to submit a responsive offer as defined in NMSA 1978, §13-1-83 and §13-1-85, subject to Procurement Manager approval.

18. **Right to Waive Minor Irregularities**

The Evaluation Committee reserves the right to waive minor irregularities. The Evaluation Committee also reserves the right to waive mandatory requirements provided that all of the otherwise responsive proposals failed to meet the mandatory requirements and/or doing so does not otherwise materially affect the procurement. This right is at the sole discretion of the Evaluation Committee, subject to Procurement Manager approval.

19. **Change in Contractor Representatives**

The County reserves the right to require a change in contractor representatives if the assigned representatives are not, in the opinion of the County, meeting its needs adequately. Any change in contractor representative must receive prior County approval.

20. **Notice**

The Procurement Code, NMSA 1978, §13-1-28 through §13-1-199, imposes civil and misdemeanor criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for bribes, gratuities and kick-backs.

21. **County Rights**

The County reserves the right to accept all or a portion of an Offeror's proposal.

22. **Right to Publish**

Throughout the duration of this procurement process and contract term, potential Offerors must secure from the County written approval prior to the release of any information that pertains to the potential work or activities covered by this procurement or the subsequent contract. Failure to adhere to this requirement may result in disqualification of the Offeror's proposal or termination of the contract.

23. **Ownership of Proposals**

All documents submitted in response to this Request for Proposals shall become the property of the County. However, any technical or user documentation submitted with the proposals of non-selected Offerors shall be returned after the expiration of the protest period.

24. **Electronic Mail Address Recommended**

A large part of the communication regarding this procurement will be conducted by electronic mail (e-mail). It is recommended that Offeror should have a valid e-mail address to receive this correspondence.
25. **Preferences in Procurement by Santa Fe County**

a. **New Mexico In-state Preference**

New Mexico law, Section 13-1-21 NMSA 1978, provides a preference in the award of a public works contract for an “in-state resident business”. Application of a resident business preference for any Offeror requires the Offeror to provide a copy of a valid and current certificate as a resident business. Certificates are issued by the state taxation and revenue department.

If an Offeror submits with its proposal a copy of a valid and current in-state resident business certificate, 5% of the total weight of all evaluation factors used in the evaluation of proposals may be awarded or added to the Offeror’s score.

Certification by the department of taxation and revenue for the resident contractor takes into consideration such activities as the business or contractor’s payment of property taxes or rent in the state and payment of unemployment insurance on employees who are residents of the state.

**OR**

b. **New Mexico Resident Veteran Preference**

New Mexico law, Section 13-1-22 NMSA 1978, provides a preference in the award of a public works contract for a “resident veteran business”. Certification by the department of taxation and revenue for the resident veteran business requires the Offeror to provide evidence of annual revenue and other evidence of veteran status.

An Offeror who wants the veteran contractor preference to be applied to its proposal is required to submit with its proposal the certification from the NM Department of Taxation and Revenue and the sworn affidavit attached hereto as Appendix C.

If an Offeror submits with its proposal a copy of a valid and current veteran resident business certificate, 10% of the total weight of all the evaluation factors used in the evaluation of proposals may be awarded or added to the Offeror’s score.

**The resident business preference is not cumulative with the resident veteran business preference.**

**AND**

c. **Santa Fe County Preference**

Santa Fe County Ordinance 2012-4 provides for a **County preference** for a “Santa Fe County business.” Application of the County preference in procurement requires an Offeror to obtain and provide a Santa Fe County Business Certificate issued by the Santa Fe County Procurement Manager. Certification by the Procurement Manager takes into consideration the business’ corporate standing in the state, business licensure or registration, the duration of the business’ primary office location and the payment of taxes.
If an Offeror submits with its proposal a copy of its Santa Fe County Business Certificate issued by the Procurement Manager, 5% of the total weight of all the evaluation factors used in the evaluation of proposals may be awarded to the Offerors score.

*The in-state, Veteran or County preferences do not apply to procurement of services or goods involving federal funds or federal grant funds.*

26. **Double-Sided Documents**

All submitted bids/proposal documents shall be double-sided, pursuant to Santa Fe County Resolution No. 2013-7, Adopting Sustainable Resource Management Principles, Section 2. A. Waste Reduction and Reuse…” all documents are to be double-sided, including those that are generated by outside entities using County funds and by consultants and contractors doing business with the County”.

27. **Living Wage**

V. EVALUATION CRITERIA and SPECIFICATIONS

Offerors should respond in the form of a thorough narrative to each Evaluation Criterion. The narratives, along with required supporting materials, will be evaluated and awarded points accordingly.

A. TIMEFRAME

The contract is scheduled to begin in or around May 2021. Santa Fe County intends on awarding each contract with a minimum term of one (1) year with the option to extend for additional terms, not to exceed a total of four (4) years.

B. EVALUATION CRITERIA

A brief explanation of each specific evaluation criteria is listed below. Offerors must respond to the evaluation criteria, providing the required responses, documentation and assurances, and completing all forms attached. In the Offeror’s response to the evaluation criteria, the elements of the Scope of Work (Section II. B.) are to be included and discussed. Offerors are encouraged to fully address each criterion completely, as points are assigned for responses to each.

1. Experience

- Offerors must indicate which practice area or areas they want to be considered for and the Offeror’s response must focus and discuss those areas of expertise or specialty.
- Identify the Offeror’s experience in the practice areas proposed on, including the provision of services for government entities of comparable size and complexity.
- Outline staffing levels and staffing mix; identify the key personnel who will be assigned and describe their experience, qualifications, licenses, certification(s), training(s), and expertise. Indicate any special skills or strengths of the key personnel being proposed. Identify any subcontractors or consultants that are part of the project team and provide similar information.
- Provide brief resumes, professional licenses, certifications, and accreditations of key team members.
- Include a minimum of five (5) client references, consisting of the names and telephone numbers of clients for which similar services have been performed, currently or in the recent past. Reference checks may be conducted regarding the prior work experience, timing, planning and technical expertise of the Offeror.

2. Capacity and Ability to Provide Legal Services

- Offerors must identify their or their firm’s approach to providing and managing legal services for the County and the firm’s capacity to provide timely services or complete tasks on short notice. Offerors must provide information that demonstrates the ability to provide sufficient professional competence, meet time schedules, accommodate cost considerations, and meet project administration requirements. Indicate the relationship of the services requested in this RFP to other current projects/contracts
the Offeror or firm may be involved in, including identification of legal services being provided for other clients that may create conflicts of interest with the Offeror’s services for the County.

- Offerors must address how they will provide high-quality and efficient legal services. For example, how they will use staffing, use of paraprofessionals, technology, and banks of briefs and other legal products to keep costs down.

6. If Offeror’s proposal contains a valid NM State Resident Business Certificate, the preference in accordance with §13-4-2 NMSA 1978 will be applied.

7. If Offeror’s proposal contains a valid NM State Resident Veteran Business Certificate, the preference in accordance with §13-4-2 and §13-1-22 NMSA 1978 will be applied.

8. If Offeror’s proposal contains a valid Santa Fe County Preference Certificate, the preference in accordance with Santa Fe County Ordinance #2012-4 will be applied.

C. **COST PROPOSAL. (If submitting hard copy, one original in a separate sealed envelope with the original proposal only. If submitting electronically submit a separate file via Dropbox.)**

The Offeror must submit a list of the proposed firm, fixed and fully loaded hourly rates for professional and paraprofessional personnel that provides a basis for billing. Hourly rates should not include New Mexico gross receipts tax, which shall be shown separately on the contractor’s payment invoices.

The cost proposal must also include a list of all charges and expenses that will be charged to the County, such as telephone charges, electronic research charges, meals, and travel, and how those charges will be priced and billed.

This cost proposal is informational for the County and a basis for opening negotiations with the successful Offeror. Costs will not be considered in deciding whether to award a contract. Costs will, however, be considered when assigning work under awarded contracts. In other words, if two or more Contractors are both capable of providing the legal services necessary to meet the County’s needs, the County may assign the work to the lower cost firm. Accordingly, Offerors should propose their best rates.
IV. EVALUATION

A. EVALUATION SCORING

The County will evaluate the content and substance of the Offeror’s response to each evaluation factor and assign a numerical score not to exceed the maximum allowed score for that factor. The amount of discussion for each factor is an individual choice of the Offeror; however, discussion should be detailed enough to inform and educate the Evaluation Committee.

Proposals will be scored based upon the Evaluation Committee’s review and consideration of the Offeror’s response to each Evaluation Factor.

1. Experience 650
2. Capacity and Ability to Provide Legal Service Efficiently 350

TOTAL (before preferences are applied) 1000

2. The Procurement Manager may contact the Offeror for clarification of the response as specified in Section III, Paragraph B.7.

3. The Evaluation Committee may use other sources of information to perform the evaluation as specified in Section III, Paragraph C.18.

4. Responsive proposals will be evaluated on the factors in Section V that have been assigned a point value. The responsible Offerors with the highest scores will be selected as finalist Offerors based upon the proposals submitted. Finalist Offerors who are asked to submit revised proposals for the purpose of obtaining best and
final offers will have their points recalculated accordingly. The responsible Offerors whose proposals are most advantageous to the County, taking into consideration the evaluation factors in Section VI, will be recommended for contract award as specified in Section III, Paragraph B.12. Please note, however, that a serious deficiency in the response to any one factor may be grounds for rejection regardless of overall score.

      2. The total amount payable to the Contractor ____________dollars ($.00).

      3. This amount is a maximum and not a guarantee that the work assigned to be performed by Contractor under this Agreement shall equal the amount stated herein. The parties do not intend for the Contractor to continue to provide services without compensation when the total compensation amount is reached. The
contractor will notify the County when the services provided under this Agreement reach the total compensation amount. In no event will the Contractor be paid for services provided in excess of the total compensation amount without this Agreement being amended in writing prior to those services.

4. The Contractor shall submit a written request for payment to the County when payment is due under this Agreement. Upon the County’s receipt of the written request, the County shall issue a written certification of complete or partial acceptance or rejection of the contractual items or services for which payment is sought. The Contractor acknowledges and agrees that the County may not make any payment hereunder unless and until it has issued a written certification accepting the contractual items or services. Within thirty (30) days of the issuance of a written certification accepting the contractual items or services, the County shall tender payment for the accepted items or services. In the event the County fails to tender payment within thirty (30) days of the written certification accepting the items or services, the County shall pay late payment charges of one and one-half percent (1.5%) per month, until the amount due is paid in full.

5. In the event the Contractor breaches this Agreement, the County may, without penalty, withhold any payments due the Contractor for the purpose of set-off until such time as the County determines the exact amount of damages it suffered as a result of the breach.

6. Payment under this Agreement shall not foreclose the right of the County to recover excessive or illegal payment.

3. **EFFECTIVE DATE AND TERM**

This Agreement shall, upon due execution by all parties, become effective as of the date first written above and shall terminate one (1) years later, unless earlier terminated pursuant to Section 5 (Termination) or Section 6 (Appropriations and Authorizations). The notice shall specify the effective date of termination, which shall not be less than fifteen (15) days from the Contractor’s receipt of the notice. The County shall pay the Contractor for work performed before the effective date of termination but shall not be liable for any work performed after the effective date of termination.

6. **APPROPRIATIONS AND AUTHORIZATIONS**
