Engineering and Design Services for the Santa Fe County Water Reclamation Facility RFP #2018-0096-PW/IC

The Santa Fe County Public Works Division is requesting proposals from qualified and licensed Engineering firms to perform Engineering and Design Services for the planning, design, and construction of a new water reclamation facility and decommissioning of the existing Quill wastewater treatment facility located off NM 14. All proposals submitted shall be valid for ninety (90) days subject to action by the County. Santa Fe County reserves the right to reject any and all proposals in part or in whole. A completed proposal shall be submitted in a sealed container indicating the proposal title and number along with the Offeror's name and address clearly marked on the outside of the container. **All proposals must be received by 2:00PM on Monday, December 18, 2017 at the Santa Fe County Purchasing Division, 142 W. Palace Avenue (Second Floor), Santa Fe, NM 87501.** By submitting a proposal for the requested services each Offeror is certifying that their proposal complies with regulations and requirements stated within the Request for Proposals.

A **Pre-Proposal Conference** will be held on **Wednesday, November 22, 2017 at 9:30 AM** at the Santa Fe County Public Works Conference Room located at 424 NM 599 Frontage Road, Santa Fe, New Mexico 87507. Attendance at the Pre-Proposal Conference is not mandatory but is strongly recommended.

EQUAL OPPORTUNITY EMPLOYMENT: All qualified Offerors will receive consideration of contract(s) without regard to race, color, religion, sex, national origin, ancestry, age, physical and mental handicap, serious mental condition, disability, spousal affiliation, sexual orientation or gender identity.

Request for proposals will be available by contacting Iris Cordova, Procurement Specialist, Senior, 142 W. Palace Avenue (Second Floor), Santa Fe, New Mexico 87501, by telephone at (505) 986-6337 or by email at icordova@santafecountynm.gov or on our website at http://www.santafecountynm.gov/asd/current_bid_solicitations

PROPOSALS RECEIVED AFTER THE DATE AND TIME SPECIFIED ABOVE WILL NOT BE CONSIDERED AND WILL BE REJECTED BY SANTA FE COUNTY.

Santa Fe County
Purchasing Division
Publish: November 12, 2017

II. CONTRACT OBJECTIVES

A. PURPOSE OF THIS REQUEST FOR PROPOSAL

The purpose of this RFP is to procure professional Engineering services for the planning, design and construction of a 0.5 million gallon per day (mgd) membrane bioreactor (MBR) wastewater treatment facility for Santa Fe County (SFCWRF). The scope of work also includes decommissioning the existing Quill Wastewater Treatment Facility (QWWTF) in accordance with all Federal, State, and local rules and regulations. The SFCWRF will replace the QWWTF and will be located in the same location. Compliance issues and managing the effluent through the winter is becoming increasingly difficult, therefore the County has chosen to replace the QWWTF.

B. BACKGROUND

The County operates the QWWTF to treat domestic wastewater from local neighborhoods and the nearby Penitentiary of New Mexico (PNM) and is actively evaluating connection of additional nearby service areas. The QWWTF requires significant improvements to meet the National Pollutant Discharge Elimination System (NPDES) requirements, provide adequate quality for beneficial use of reclaimed wastewater with no setback/access limits, plans for future expansion, and meet anticipated limits for land application of biosolids. The QWWTF's maximum treatment capacity is 280,000 gallons per day (gpd) and has the ability to discharge treated effluent by land-applying effluent over 95 acres as permitted by the New Mexico Environment Department (NMED) groundwater discharge permit (GWDP) DP-234. The Current average daily flow is 136,000 gpd.

Pertinent project information includes:

- **Site:** Santa Fe County is located in north Central New Mexico, which includes the City of Santa Fe. The QWWTF is approximately 1 mile south of the intersection of Interstate 25 and NM 599; directly west of NM 14 and located within the PNM property. A map showing the overall County wastewater collection system is provided in the Preliminary Engineering Report (PER).
- **Existing:** The QWWTF currently utilizes aerated lagoons and settling ponds for biological treatment and disinfection via chlorine. The treated effluent produced at the QWWTF does not consistently meet GWDP standards. The Quill WWTF has been maintained but due to its advanced age, deteriorating condition, inadequate technology, and limited potential for upgrades and/or repairs, it will be replaced. Significant improvements are necessary to meet the GWDP/NPDES requirements and increase capacity for future growth which can most cost-effectively be accomplished by replacement of the facility.
- **Security:** All staff, visitors, and construction crews must enter through PNM's guarded entrance to gain access to the QWWTF. The nearby location of the PNM may require additional security and safety measures during construction.

- **MACC:** The Maximum Allowable Construction Cost for this projects is \$6,100,000.

C. SCOPE OF WORK

During the project, the Contractor shall perform none, some, or all of the following services, at the discretion of the County:

- Project Administrative and Management Services
- Pre-Design Services
- Engineering Design Services
- Engineering Design Services During Construction
- Engineering Oversight During Construction
- Engineering Design Services During Decommissioning
- Bidding or Negotiation Services
- Contract Administration Services
- Post-Contract Services
- Supplemental Services

1. **Design Approach:** A phased modular approach for the SFCWRF using 0.5 mgd as the standard increment will be used. A 0.5 mgd plant (designed in two 0.25 mgd trains) will be the basis of design to expand to 1.0 mgd in the near future and up to 2.0 mgd maximum capacity. Both 0.5 mgd and 1.0 mgd treatment process options with the associated headworks and disinfection are to be sized for both 1.0 mgd and 2.0 mgd options.

The County's current GWDP follows Class 2 quality standards; however, the County would like to meet Class 1A standards and anticipated future NPDES permit requirements. The County does not currently possess a NPDES permit for the discharge of treated effluent to surface waters of the United States but intends to have in place an NPDES permit for the SFCWRF. In addition the County the new facility will provide beneficial use of reclaimed wastewater with no setback/access limits, be prepared for future expansion, and meet anticipated limits for land application of solids.

2. **Space Needs:**

The SFCWRF shall fit within the footprint of the existing property as indicated in the location layouts in both Figure 10 and Figure 11 of the PER. All new structures will be constructed within existing property. No additional land will need to be acquired to build the SFCWRF.

The design/engineering plan shall contain the following elements as a minimum:

- The QWWTF shall be decommissioned with the exception of the Operations Building, new mechanical fine screen, reuse storage pond, and reuse irrigation system.
- The average daily design flowrate for the SFCWRF was determined to be 0.5 mgd for the main process. The project shall include a 0.5 mgd process capacity with a modular design to expand to 1.0 mgd in the near future and up to 2.0 mgd at maximum capacity. Headworks and ultra-violet (UV) components shall be sized for 1.0 mgd or 2.0 mgd, whichever is more appropriate.
- The SFCWRF shall meet New Mexico Environment Department (NMED) Class 1A quality for effluent reuse with no setback limits and no access limits and anticipated future US Environmental Protection Agency NPDES limits. Any disposal/aquifer recharge during any season shall meet requirements of the acquired NPDES permit. Options for MBR system changes shall be capable of discharging to surface water for example, the Rio Grande in exchange for water rights and provide adequate treatment required for possible aquifer storage recovery (ARS).
- Design Criteria for the Membrane Bioreactor (MBR) shall include at a minimum:
 - Meet all applicable NPDES Tier 2 permit requirements, including:
 - Effluent quality less than 3.0 mg N/L total nitrogen; and
 - Effluent quality less than 1.0 mg P/L total phosphorus
- Discharge from the SFCWRF for effluent reuse shall meet GWDP and NMED Class 1A quality requirements.
- Major improvements shall include:
 - New Fine Screen and Grit Building;
 - New Operations Building with blowers, RAS pumps, Sodium; Hypochlorite/Citric Acid Equipment, and UV Disinfection;
 - Biological Basins and Aeration Equipment;
 - MBR Basin and Equipment;
 - Aerobic Digesters;
 - Concrete Sludge Drying Beds; and
 - Laboratory improvements.
- MBR Preliminary Design shall include:
 - Fine Screen and Grit Building;
 - Treatment Process;
 - Disinfection;
 - Biosolids;
 - Irrigation;
 - Laboratory and Operations; and
 - Additive Alternatives – Additional improvements that could be included as additive/deductive alternatives which have been identified (budget permitting) shall include:
 - Construct a new access driveway from NM 14 to provide independent access from PNM's guarded entrance, utilizing the attached HDR Project No. 235241 design;

- Re-grade and reline the existing settling ponds to provide additional capacity for reuse storage, following removal and disposal of existing sludge;
 - Instal BNR basins with a capacity of 1.0 mgd for future expansion. This alternative would have 1.0 mgd basins equipped with 0.5 mgd equipment. This alternative may provide a long-term capital cost savings;
 - Relocate Electrical Supply;
- New facilities should optimize energy costs by using variable frequency drives (VFDs), energy efficient pumps, premium efficiency motors, and other methods to ensure that this project is sustainable;
- Project shall include a sustainable Computerized Maintenance Management System (CMMS) program along with startup and sustainable implementation;
- Project shall include SCADA system with auto archiving capability;
- Project shall include radio telemetry system integrated with SCADA and I&C systems;
- Project shall include development of a sustainable training program with initial implementation during startup;
- Project shall include an Integration plan to allow startup of new SFCWRF while minimizing interruption of current QWWTF operations;
- Project shall include evaluation of existing PNM electrical power source to the SFCWRF, both primary and emergency backup, and the design shall include implementation of the approved path forward;
- Project shall include an evaluation of the existing PNM access and alternate independent access to the facility and design to include implementation of approved path forward;
- Project shall evaluate the availability of outside funding associated with reuse water projects;
- Project shall include evaluation of required communication utilities and systems (e.g WiFi, telemetry, phone, SCADA) and the design shall include implementation of the approved path forward;
- Project shall include documentation of recommended spare parts and materials in addition to the purchase and storage of these items;
- Project shall include the creation of a required Sludge Disposal Plan.
- Project shall include the recommended staffing and organization required to operate the new facility;
- Project shall include an evaluation of the current security system and the design shall include implementation of approved path forward;
- Project shall include an estimate of annual operating costs for the first five years; and
- The site shall be re-graded to prevent storm runoff;
- The following list of potential construction challenges need to be considered:
 - All staff, visitors, and construction crews must enter through PNM's guarded entrance to gain access to the QWWTF entrance gate. The QWWTF site is large enough to accommodate construction staging and a contractor field office, so mobilization of construction equipment and materials is not anticipated to be problematic.

- The nearby location of the PNM may require additional security and safety measures during construction.
- Construction activities are anticipated to exceed 1 acre of ground disturbance, so a Storm Water Pollution Prevention Plan (SWPPP) will be required by the contractor.
- A geotechnical investigation will need to be performed prior to design.
- The preference to locate the MBR facility at the existing aeration lagoons location may create minor challenges with the existing treatment operation.

3. Additional Information:

- Permit Requirements shall meet:
 - Land application of reuse water shall meet Class 1A quality pursuant to the NMED GWDP;
 - Any discharge to surface water shall meet Tier 2 requirements of NDPES permit;
 - Existing GWDP DP-234 will need to be updated; and
 - A NDPES permit (or renewal if the Valle Vista NPDES permit if it can be transferred) will be required.
- Sustainability Considerations will included:
 - Water and Energy Efficiency – The MBR increases water and energy efficiency by allowing for more effective reuse of water which contributes positively to water conservation efforts. The new SFCWRF will allow for more energy efficient design and practices.
 - Green Infrastructure – The MBR provides for the reuse of treated effluent from either NPDES or GWDP uses. This process aids in water conservation for the community.
 - Pusdo-Brownfield – the SFCWRF will be constructed in an area already used by the QWWTP, eliminating the use of un-developed land.
 - Other Sustainability Considerations – The new facilities will optimize energy costs by using VFDs, energy efficient pumps, premium efficiency motors and other methods to ensure the County that this project is sustainable.

4. Proposed schedule:

- Design – 6 to 9 months.
- Construction bidding, evaluation and award – 1 to 2 months.
- Construction – 12 to 18 month; MBR equipment lead time can be up to 8 months.
- Startup and project closeout – 1 month.

5. Procurement Library

The County has established a procurement library of documents that may be beneficial for offerors to consider while creating their proposals. The documents are available for viewing online at https://www.santafecountynm.gov/asd/current_bid_solicitations.

The following documents are contained in the Procurement Library:

1. Site Maps
2. Preliminary Engineering Report

D. INSURANCE REQUIREMENTS

The insurance required by Offeror are listed below.

- a. General Conditions. Contractor shall submit evidence of insurance as is required herein. Policies of insurance shall be written by companies authorized to write such insurance in New Mexico.
- b. General Liability Insurance, Including Automobile. Contractor shall procure and maintain during the life of this Agreement a comprehensive general liability and automobile insurance policy with liability limits in amounts not less than \$1,000,000 combined single limits of liability for bodily injury, including death, and property damage for any one occurrence. Said policies of insurance shall include coverage for all operations performed for County by Contractor; coverage for the use of all owned, non-owned, hired automobiles, vehicles and other equipment, both on and off work; and contractual liability coverage under which this Agreement is an insured contract. County of Santa Fe shall be a named additional insured on the policy.
- c. Workers' Compensation Insurance. Contractor shall comply with the provisions of the Workers' Compensation Act.
- d. Professional Liability Insurance. The Contractor shall procure and maintain during the life of this Agreement a Professional Liability Insurance.
- e. Increased Limits. If, during the life of this Agreement, the Legislature of the State of New Mexico increases the maximum limits of liability under the Tort Claims Act (NMSA 1978, Sections 41-4-1 through 41-4-29, as amended), Contractor shall increase the maximum limits of any insurance required herein.

E. PROCUREMENT MANAGER

The County has designated a Procurement Manager who is responsible for the conduct of this procurement whose name, address and telephone number is listed below. All deliveries via express carrier should be addressed as follows:

Iris Cordova
Santa Fe County Purchasing Division
142 W. Palace Avenue (Second Floor)
Santa Fe, New Mexico 87501

Phone (505) 986-6337
Fax (505) 989-3243
Icordova@santafecountynm.gov

Any inquiries or requests regarding this procurement should be submitted to the Procurement Manager in writing. Offerors may contact ONLY the Procurement Manager regarding the procurement. Other County employees do not have the authority to respond on behalf of the County.

F. DEFINITION OF TERMINOLOGY

This section contains definitions and abbreviations that are used throughout this procurement document.

“BCC” means the elected Board of County Commissioners.

“Close of Business” means 5:00 PM Mountain Standard Time or Mountain Daylight Time, whichever is in effect on the date given.

“Contract” or “Agreement” means a written agreement for the procurement of items of tangible personal property or services.

“Contractor” means a successful offeror who enters into a binding contract.

“County” means Santa Fe County.

“Determination” means the written documentation of a decision by the Procurement Manager including findings of fact supporting a decision. A determination becomes part of the procurement file.

“Desirable” The terms “may”, “can”, “should”, “preferably”, or “prefers” identify a desirable or discretionary item or factor (as opposed to “mandatory”).

“Evaluation Committee” means a body appointed by the County management to perform the evaluation of offeror proposals.

“Finalist” is defined as an offeror who meets all the mandatory specifications of this Request for Proposals and whose score on evaluation factors is sufficiently high to merit further consideration by the Evaluation Committee.

“Mandatory” The terms “must”, “shall”, “will”, “is required”, or “are required”, identify a mandatory item or factor (as opposed to “desirable”). Failure to meet a mandatory item or factor will result in the rejection of the offeror’s proposal.

“Offeror” is any person, corporation, or partnership who chooses to submit a proposal.

“Procurement Manager” means the person or designee authorized by the County to manage or administer a procurement requiring the evaluation of competitive sealed proposals.

“Purchasing Division” means the Santa Fe County Purchasing Division, Administrative Services Department.

“Request for Proposals” or “RFP” means all documents, including those attached or incorporated by reference, used for soliciting proposals.

“Responsible Offeror” means an offeror who submits a responsive proposal and who has furnished, when required, information and data to prove that his financial resources, production or service facilities, personnel, service reputation and experience are adequate to make satisfactory delivery of the services or items of tangible personal property described in the proposal.

“Responsive Offer” or “Responsive Proposal” means an offer or proposal which conforms in all material respects to the requirements set forth in the request for proposals. Material respects of a request for proposals include, but are not limited to, price, quality, quantity or delivery requirements.

III. CONDITIONS GOVERNING THE PROCUREMENT

This section of the RFP contains the schedule for the procurement, describes the major procurement events and the conditions governing the procurement.

A. SEQUENCE OF EVENTS

The Procurement Manager will make every effort to adhere the following schedule:

	<u>Action</u>	<u>Responsibility</u>	<u>Date</u>
1.	Issue of RFP	Purchasing Division	Nov. 12
2.	Pre-Proposal Conference	Owner/Purchasing Offerors	Nov. 22
3.	Acknowledgement Form Due	Offerors	Nov. 22
4.	Deadline to Submit Additional Questions	Offerors	Nov. 30
5.	Response to Written Questions	Purchasing Division	Dec. 6
6.	Submission of Proposal (2:00PM)	Offerors	Dec. 18
7.	Proposal Evaluation	Evaluation Committee	Dec. 19- Jan. 3
8.	Selection of Finalists (If Applicable)	Evaluation Committee	Jan. 3
9.	Best and Final Offers from Finalists (If Applicable)	Offeror	Jan.
10.	Oral Presentation by Finalists (If Applicable)	Offeror	Jan. 19
11.	Contract Negotiations	County, Offeror	Jan.
12.	Contract Award	Purchasing Division	Feb. 27

Note: If the Evaluation Committee makes a selection at the Selection of Finalists, events 8-10 will not apply.

B. EXPLANATION OF EVENTS

The following paragraphs describe the activities listed in the sequence of events shown in Section III, Paragraph A.

1. Issuance of RFP

This RFP is being issued by the Public Works and the Purchasing Division.

2. Pre-Proposal Conference, if applicable

A Pre-Proposal Conference is scheduled to occur on the date indicated in the Sequence of Events at Section III.A. **Your attendance is 'highly recommended.'** Questions may be submitted at the Pre-Proposal Conference and after until the date indicated in the Sequence of Events at Section III.A. A public log will be kept of the names of potential Offerors who attended the Pre-Proposal Conference.

3. Acknowledgement of Receipt Form Due

A potential Offeror should hand-deliver, return by facsimile or e-mail the "Acknowledgement of Receipt Form" provided as Appendix A to have its name and firm placed on the procurement distribution list. The form should be signed by an authorized representative of the organization, dated and returned by close of business on November 22, 2017.

The procurement distribution list will be used for the distribution of written responses to questions and any RFP addendums.

4. Deadline to Submit Additional Written Questions

Potential Offerors may submit written questions regarding this RFP until the close of business on the date indicated in the "Sequence of Events" at Section III.A. All written questions must be addressed to the Procurement Manager, listed in Section II, Paragraph E and sent via facsimile or e-mail. **Any contact with any other County staff member other than the Procurement Manager named in this solicitation will be grounds for rejection of a proposal.**

5. Response to Written Questions

Written responses to written questions and any RFP addenda will be distributed on the date indicated in the "Sequence of Events" at Section III.A, to all potential Offerors whose names appear on the procurement distribution list.

Additional written requests for clarification of distributed answers or addenda must be received by the Procurement Manager no later than one (1) day after the answers or addenda were issued.

6. Submission of Proposal

ALL OFFEROR PROPOSALS MUST BE RECEIVED FOR REVIEW AND EVALUATION BY THE PROCUREMENT MANAGER OR DESIGNEE NO LATER THAN 2:00 P.M. DAYLIGHT SAVINGS TIME ON DECEMBER 18, 2017. Proposals received after this deadline will not be accepted. The date and time of receipt will be recorded on each proposal. Proposals must be addressed and delivered to the Procurement Manager at the address listed in Section II, D. Proposals must be sealed and labeled on the outside of the package to clearly indicate that they are in response to the County's Request for Proposals 2018-0096-PW/IC and refer to the RFP number. Proposals submitted by facsimile or other electronic means will not be accepted.

Proposals must be delivered to:

Iris Cordova, Senior Procurement Specialist
Santa Fe County Purchasing Division
142 W. Palace Avenue (Second Floor)
Santa Fe, New Mexico 87501

A public log will be kept of the names of all offeror organizations that submitted proposals. Pursuant to NMSA 1978, Section 13-1-116, the contents of any proposal shall not be disclosed to competing offerors prior to contract award.

7. Proposal Evaluation

The evaluation of proposals will be performed by an Evaluation Committee appointed by the Procurement Manager. This process will take place during the timeframe indicated in the "Sequence of Events" at III.A. During this time, the Procurement Manager may initiate discussions with Offerors who submit responsive or potentially responsive proposals for the purpose of clarifying aspects of the proposals, but proposals may be accepted and evaluated without such discussion. Discussions SHALL NOT be initiated by the Offerors.

8. Selection of Finalists (If Applicable)

The Evaluation Committee may select and the Procurement Manager may notify the Finalist Offerors on the date indicated in the "Sequence of Events" at Section III.A. Only Finalists will be invited to participate in the subsequent steps of the procurement if the Finalist process is used.

9. Best and Final Offers from Finalists (If Applicable)

Finalist Offerors may be asked to submit revisions to their proposals for the purpose of obtaining best and final offers by the date indicated in the "Sequence of Events" at Section III.A.

10. Oral Presentation by Finalists (If Applicable)

Finalist Offerors may be required to present their proposals to the Evaluation Committee. The Procurement Manager will schedule the time for each Offeror presentation. All Offeror presentations will be held at the Santa Fe County Purchasing Division, 142 W. Palace Avenue (Second Floor), Santa Fe, New Mexico unless notified otherwise. Each presentation will be limited to one (1) hour in duration.

11. Contract Negotiations

The contract will be finalized with the most advantageous Offeror during the timeframe indicated in the "Sequence of Events" at Section III.A. In the event that mutually agreeable terms cannot be reached within the time specified, the County reserves the right to finalize a contract with the next most advantageous Offeror without undertaking a new procurement process.

12. Contract Award

The County anticipates awarding the contract on the date in the "Sequence of Events" at Section III.A. These dates are subject to change at the discretion of the Santa Fe County Purchasing Manager.

The contract shall be awarded to the Offeror or Offerors whose proposal is most advantageous to the County, taking into consideration the evaluation factors set forth in the RFP. The most advantageous proposal may or may not have received the most points.

13. Right to Protest

Any protest by an Offeror must be timely and in conformance with NMSA 1978, Section 13-1-172 and applicable procurement regulations. Protests must be written and must include the name and address of the protestor and the request for proposals number. It must also contain a statement of grounds for protest including appropriate supporting exhibits. The protests must be delivered to the Santa Fe County Purchasing Division:

Santa Fe County
Attn: Procurement Office
P.O. Box 276
Santa Fe, New Mexico 87504

Protests will not be accepted by facsimile or other electronic means. Protests received after the deadline will not be accepted.

C. GENERAL REQUIREMENTS

This procurement will be conducted in accordance with Chapter 13, NMSA 1978, NMAC 1.4.1 and the Santa Fe County Procurement Regulations.

1. Acceptance of Conditions Governing the Procurement

Offerors must indicate their acceptance of the Conditions Governing the Procurement section in the letter of transmittal. Submission of a proposal constitutes acceptance of the contract template attached hereto as Appendix D.

2. Incurring Cost

Any cost incurred by the offeror in preparation, transmittal, presentation of any proposal or material submitted in response to this RFP shall be borne solely by the offeror.

3. Prime Contractor Responsibility

Any contract that may result from this RFP shall specify that the prime contractor is solely responsible for fulfillment of the contract with the County. The County will make contract payments to only the prime contractor.

4. Subcontractors

Use of subcontractors must be clearly explained in the proposal, and major subcontractors must be identified by name. The prime contractor shall be wholly responsible for the entire performance whether or not subcontractors are used.

5. Amended Proposals

An offeror may submit an amended proposal before the deadline for receipt of proposals. Such amended proposals must be complete replacements for a previously submitted proposal and must be clearly identified as such in the transmittal letter. County personnel will not merge, collate, or assemble proposal materials.

6. Offerors' Rights to Withdraw Proposal

Offerors will be allowed to withdraw their proposals at any time prior to the deadline for receipt of proposals. The offeror must submit a written withdrawal request signed by the offeror's duly authorized representative addressed to the Procurement Manager. The approval or denial of withdrawal requests received

after the deadline for receipt of the proposals is governed by the applicable procurement regulations.

7. Proposal Offer Firm

Responses to this RFP, including proposal prices, will be considered firm for sixty (90) days after the due date for receipt of proposals or ninety (90) days after receipt of a best and final offer if one is submitted.

8. Disclosure of Proposal Contents

The proposals will be kept confidential until a contract is awarded. At that time, all proposals and documents pertaining to the proposals will be open to the public, except for the material that is proprietary or confidential. The Procurement Manager will not disclose or make public any pages of a proposal on which the offeror has stamped or imprinted "proprietary" or "confidential" subject to the following requirements.

Proprietary or confidential data shall be readily separable from the proposal in order to facilitate eventual public inspection of the non-confidential portion of the proposal. Confidential data is normally restricted to confidential financial information concerning the offeror's organization and data that qualifies as a trade secret in accordance with the Uniform Trade Secrets Act, 57-3A-1 to 57-3A-7, NMSA 1978. The price of products offered or the cost of services proposed shall not be designated as proprietary or confidential information.

If a request is received for disclosure of data for which an offeror has made a written request for confidentiality, the Santa Fe County Procurement Manger shall examine the offeror's request and make a written determination that specifies which portions of the proposal should be disclosed. Unless the offeror takes legal action to prevent the disclosure, the proposal will be so disclosed. The proposal shall be open to public inspection subject to any continuing prohibition on the disclosure of confidential data.

9. No Obligation

This procurement in no manner obligates Santa Fe County or any of its departments to the use of any proposed professional services until a valid written contract is awarded and approved by the appropriate authorities.

10. Termination

This RFP may be canceled at any time and any and all proposals may be rejected in whole or in part when the County determines such action to be in the best interest of the County.

11. Sufficient Appropriation

Any contract awarded as a result of this RFP process may be terminated if sufficient appropriations or authorizations do not exist. Such termination will be effected by sending written notice to the contractor. The County's decision as to whether sufficient appropriations and authorizations are available will be accepted by the contractor as final.

12. Legal Review

The County requires that all offerors agree to be bound by the General Requirements contained in this RFP. Any offeror concerns must be promptly brought to the attention of the Procurement Manager.

13. Governing Law

This procurement and any agreement with offerors that may result shall be governed by the laws of the State of New Mexico.

14. Basis for Proposal

Only information supplied by the County in writing through the Procurement Manager or in this RFP should be used as the basis for the preparation of offeror proposals.

15. Contract Terms and Conditions

The contract between the County and the Contractor will follow the format specified by the County and contain the terms and conditions set forth in Appendix D. However, the County reserves the right to negotiate with a successful offeror provisions in addition to those contained in this RFP.

Should an offeror object to any of the County's terms and conditions, as contained in this Section or in Appendix D, that offeror must propose specific alternative language. The County may or may not accept the alternative language. General references to the offeror's terms and conditions or attempts at complete substitutions are not acceptable to the County and will result in disqualification of the offeror's proposal.

Offerors must provide a brief discussion of the purpose and impact, if any, of each proposed change followed by the specific proposed alternate wording.

16. Contract Deviations

Any additional terms and conditions, which may be the subject of negotiation, will be discussed only between the County and the selected offeror and shall not be deemed an opportunity to amend the offeror's proposal.

17. Offeror Qualifications

The Evaluation Committee may make such investigations as necessary to determine the ability of the offeror to adhere to the requirements specified within this RFP. The Evaluation Committee will reject the proposal of any offeror who is not a responsible offeror or fails to submit a responsive offer as defined in Sections 13-1-83 and 13-1-85 NMSA, 1978, subject to Procurement Manager approval.

18. Right to Waive Minor Irregularities

The Evaluation Committee reserves the right to waive minor irregularities. The Evaluation Committee also reserves the right to waive mandatory requirements provided that all of the otherwise responsive proposals failed to meet the mandatory requirements and/or doing so does not otherwise materially affect the procurement. This right is at the sole discretion of the Evaluation Committee, subject to Procurement Manager approval.

19. Change in Contractor Representatives

The County reserves the right to require a change in contractor representatives if the assigned representatives are not, in the opinion of the County, meeting its needs adequately. Any change in contractor representative must receive prior County approval.

20. Notice

The Procurement Code, Sections 13-1-28 through 13-1-199, NMSA 1978, imposes civil and misdemeanor criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for bribes, gratuities and kick-backs.

21. County Rights

The County reserves the right to accept all or a portion of an offeror's proposal.

22. Right to Publish

Throughout the duration of this procurement process and contract term, potential offerors and contractors must secure from the County written approval prior to the release of any information that pertains to the potential work or activities covered by this procurement or the subsequent contract. Failure to adhere to this

requirement may result in disqualification of the offeror's proposal or termination of the contract.

23. Ownership of Proposals

All documents submitted in response to this Request for Proposals shall become the property of the County. However, any technical or user documentation submitted with the proposals of non-selected offerors shall be returned after the expiration of the protest period.

24. Electronic Mail Address Recommended

A large part of the communication regarding this procurement will be conducted by electronic mail (e-mail). It is recommended that Offeror should have a valid e-mail address to receive this correspondence.

25. Preferences in Procurement by Santa Fe County

a. *New Mexico In-state Preference*

New Mexico law, Section 13-1-21 NMSA 1978, provides a preference in the award of a public works contract for an “**in-state resident business**”. Application of a resident business preference for any Offeror requires the Offeror to provide a copy of a valid and current certificate as a resident business. Certificates are issued by the state taxation and revenue department.

If an Offeror submits with its proposal a copy of a valid and current in-state resident business certificate, 5% of the total weight of all evaluation factors used in the evaluation of proposals may be awarded or added to the Offerors score.

Certification by the department of taxation and revenue for the resident contractor takes into consideration such activities as the business or contractor’s payment of property taxes or rent in the state and payment of unemployment insurance on employees who are residents of the state.

OR

b. *New Mexico Resident Veteran Preference*

New Mexico law, Section 13-1-22 NMSA 1978, provides a preference in the award of a public works contract for a “**resident veteran business**”. Certification by the department of taxation and revenue for the resident veteran business requires the Offeror to provide evidence of annual revenue and other evidence of veteran status.

An Offeror who wants the veteran contractor preference to be applied to its proposal is required to submit with its proposal the certification from the NM Department of Taxation and Revenue and the sworn affidavit attached hereto as Appendix C.

If an Offeror submits with its proposal a copy of a valid and current veteran resident business certificate, 10%, 8% or 7% of the total weight of all the evaluation factors used in the evaluation of proposals may be awarded or added to the Offeror's score, depending on the business' annual revenue.

The resident business preference is not cumulative with the resident veteran business preference.

AND

c. **Santa Fe County Preference**

Santa Fe County Ordinance 2012-4 provides for a **County preference** for a "Santa Fe County business." Application of the County preference in procurement requires an Offeror to obtain and provide a Santa Fe County Business Certificate issued by the Santa Fe County Procurement Manager. Certification by the Procurement Manager takes into consideration the business' corporate standing in the state, business licensure or registration, the duration of the business' primary office location and the payment of taxes.

If an Offeror submits with its proposal a copy of its Santa Fe County Business Certificate issued by the Purchasing Manager, 5% of the total weight of all the evaluation factors used in the evaluation of proposals may be awarded to the Offerors score.

The in-state, veteran or County preferences do not apply to procurement of services or goods involving federal funds or federal grant funds.

26. **Double-Sided Documents**

All submitted bids/proposal documents shall be double-sided, pursuant to Santa Fe County Resolution No. 2013-7, Adopting Sustainable Resource Management Principles, Section 2. A. Waste Reduction and Reuse..."all documents are to be double-sided, including those that are generated by outside entities using County funds and by consultants and contractors doing business with the County".

27. **Living Wage**

Contractor shall comply with the requirements of Santa Fe County Ordinance 2014-1 (Establishing a Living Wage).

IV. RESPONSE FORMAT AND ORGANIZATION

A. NUMBER OF RESPONSES

Offerors shall submit only one proposal in response to this RFP.

B. NUMBER OF COPIES

Offerors shall deliver one (1) original and five (5) identical copies of their proposal to the location specified in Section II, Paragraph E on or before the closing date and time for receipt of proposals.

C. PROPOSAL FORMAT

All proposals shall be limited to twenty (20) pages, with exception to professional licenses and certifications, which shall be added as appendices. The document shall be typewritten on standard 8 1/2 x 11 paper, with a font no smaller than 12 pt. pitch, with nominal 1” margins and normal line spacing. Proposals shall be placed within a binder with tabs delineating each section.

1. Proposal Organization

The proposal must be organized and indexed in the following format and must contain, as a minimum, all listed items in the sequence indicated.

- a) Letter of Transmittal
- b) Table of Contents
- c) Proposal Summary (optional)
- d) Response to Mandatory Specifications – Evaluation Factors
- e) Campaign Contribution Disclosure Form

Within each section of their proposal, offerors should address the items in the order in which they appear in this RFP. All forms provided in the RFP must be thoroughly completed and included in the appropriate section of the proposal.

Any proposal that does not adhere to these requirements may be deemed non-responsive and rejected on that basis.

The proposal summary may be included by offerors to provide the Evaluation Committee with an overview of the technical and business features of the proposal; however, this material will not be used in the evaluation process unless specifically referenced from other portions of the offeror's proposal.

Offerors may attach other materials that they feel may improve the quality of their responses. However, these materials should be included as items in a separate appendix.

2. Letter of Transmittal

Each proposal must be accompanied by a letter of transmittal. The letter of transmittal MUST:

- a) Identify the submitting organization;
- b) Identify the name and title of the person authorized by the organization to contractually obligate the organization;
- c) Identify the name, title, email address and telephone number of the person authorized to negotiate the contract on behalf of the organization;
- d) Identify the names, titles and telephone numbers of persons to be contacted for clarification;
- e) Explicitly indicate Acceptance of the Conditions Governing the Procurement stated in Section III, Paragraph C.1;
- f) Be signed by the person authorized to contractually obligate the organization;
- g) Acknowledge receipt of any and all amendments to this RFP.
- h) Acknowledge and acceptance of the terms and conditions of the Agreement attached as Appendix D.

V. SPECIFICATIONS

Offerors should respond in the form of a thorough narrative to each mandatory specification. The narratives along with required supporting materials will be evaluated and awarded points accordingly.

A. INFORMATION

Time Frame

The contract is scheduled to begin in or around February 2018. Santa Fe County intends on awarding a contract with a term of one (1) year with three (3) renewal periods, not to exceed four years).

B. EVALUATION FACTORS

A brief explanation of each mandatory specification is listed below. Offerors are encouraged to fully address each category completely, as points are assigned for responses to each.

1. Specialized design and technical competence

- Vision/mission and business philosophy
- Brief history of the firm in New Mexico
- Specific examples of best practices utilized by your firm.
- List all design consultants and how they provide value to this project.
- Examples of highly successful aspects of projects similar to this project completed by the office submitting the proposal.
- Firm's approach to project cost estimating and incorporation of life Cycle Cost Analysis

2. Capacity and capability

- Information regarding project team's past capability to meet schedules, meet budgets and meet project administration requirements.
- Indicate relationship of the firm's/project team's current work load to the projected workload of this project and personnel in the New Mexico office.
- Indicate key personnel to be assigned to this project, their specific roles, experience and background.
- Indicate the relationship of the workload of this project to other current projects with your Firm.

3. Past Record of Performance

- Information on prior design projects to include owner's project budget, final construction cost estimate, bid price including accepted alternates, total number and cost of Change Orders.
- Information on these projects showing owners schedule compared to actual project schedule.

- Describe any particular difficulties confronted in past projects and how the Offeror addressed and resolved the issues.
- Describe any experience with working in within an Historic District.
- Indicate your Firm’s past performance in working with Commissioning Agents that were assigned to your projects.

4. Evidence of Understanding the Scope of Work (Recommend 2 pages):

- Understanding of key project elements/goals.
- Challenges that might be expected based on type of project, including continuing agency operations and functionality; project MACC, locations, site or other factors.
- Possible creative management approaches.
- Please note: Offerors are not to provide specific design solutions. Specific design solutions may actually result in a reduction in scoring in this category. The intent of this section is to give the Offeror an opportunity to express professional observations based on the scope of work, site visits and interviews conducted during the preparation of the proposal.

5. Proximity to and Familiarity with Santa Fe County

- Demonstrate the firm’s proximity to and familiarity with Santa Fe County in which this project will be located.

6. New Mexico Produced Work

- It is Santa Fe County’s goal to support New Mexico owned businesses. Indicate the volume of work by percentage to be produced by New Mexico firm(s), using New Mexico based employees.

7. Volume of Work Previously Done - Information on the status of past project awards shall be included in the "Project Listing Form" as a requirement of this RFP provided in Appendix E. The following formula on fees for projects awarded that are less than 75% complete shall be utilized in assessing scores:

\$ 25,000	to	\$ 35,000	10 points deducted
\$ 35,001	to	\$ 50,000	20 points deducted
\$ 50,001	to	\$100,000	30 points deducted
\$100,001	to	\$150,000	40 points deducted
\$150,001	and over		50 points deducted

8. Offeror’s proposal contains a valid NM State Resident Business Certificate, the preference in accordance with §13-4-2 NMSA 1978, will be applied.

9. Offeror’s proposal contains a valid NM State Resident Veteran Business Certificate, the preference in accordance with §13-4-2 and §13-1-22 NMSA 1978, will be applied.

10. Offeror's proposal contains a valid Santa Fe County Preference Certificate, the preference in accordance with Santa Fe County Ordinance #2012-4, will be applied.

VI. EVALUATION

A. EVALUATION SCORING

The County will evaluate the content and substance of the Offeror’s response to each evaluation factor and assign a numerical score not to exceed the maximum allowed score for that factor. The amount of discussion for each factor is an individual choice of the Offeror; however, discussion should be detailed enough to inform and educate the Evaluation Committee.

Proposals will be scored based upon the Evaluation Committee’s review and consideration of the Offeror’s response to each Evaluation Factor.

- 1. Specialized design and technical competence200 points
- 2. Capacity and capability250 points
- 3. Past Record of Performance.....250 points
- 4. Evidence of Understanding Scope of Work (Recommend 2 pages): ..150 points
- 5. Proximity to or Familiarity with Santa Fe County.....50 points
- 6. New Mexico Produced Work.....50 points
- 7. Volume of Work Previously Done50 points
- TOTAL POINTS 1000 points**

PREFERENCES

If an Offeror’s proposal contains a valid NM State Resident Business Certificate or a NM Resident Veteran Business Certificate and/or a Santa Fe County Preference Certificate, the following points will be applied to an Offeror’s total points:

- 6. NM State Resident Business Certificate**50 points**
- Or
- 7. Resident Veteran Business Certificate**100 points**
- And
- 8. Santa Fe County Business Certificate.....**50 points**

B. EVALUATION PROCESS

The evaluation process will follow the steps listed below:

1. All Offeror proposals will be reviewed for compliance with the mandatory specifications stated within the RFP. Proposals deemed non-responsive will be eliminated from further consideration.
2. The Procurement Manager may contact the Offeror for clarification of the response as specified in Section III, Paragraph B.7.
3. The Evaluation Committee may use other sources of information to perform the evaluation as specified in Section III, Paragraph C.18.
4. Responsive proposals will be evaluated on the factors in Section V that have been assigned a point value. The responsible Offerors with the highest scores will be selected as finalist Offerors ‘shortlisted’ based upon the proposals submitted. If an oral presentation is recommended, the ‘shortlisted’ firms will be provided questions by the Selection Committee for their “Oral Presentations.” Each presentation will be evaluated by the Selection Committee. The oral presentation that receives the highest points and is most advantageous to the County, taking into consideration the evaluation factors in Section VI, will be recommended for contract award as specified in Section III, Paragraph B.11. Only the points from the Oral Presentation will be calculated for most & highest qualified firms. Points from the “shortlisted” evaluations will only be used if there is a tie resulting from the Oral Presentations. Please note, however, that a serious deficiency in the response to any one factor may be grounds for rejection regardless of overall score.

APPENDIX B

CAMPAIGN CONTRIBUTION DISCLOSURE FORM

Pursuant to the Procurement Code, Sections 13-1-28, et seq., NMSA 1978 and NMSA 1978, § 13-1-191.1 (2006), as amended by Laws of 2007, Chapter 234, any prospective contractor seeking to enter into a contract with any state agency or local public body **for professional services, a design and build project delivery system, or the design and installation of measures the primary purpose of which is to conserve natural resources** must file this form with that state agency or local public body. This form must be filed even if the contract qualifies as a small purchase or a sole source contract. The prospective contractor must disclose whether they, a family member or a representative of the prospective contractor has made a campaign contribution to an applicable public official of the state or a local public body during the two years prior to the date on which the contractor submits a proposal or, in the case of a sole source or small purchase contract, the two years prior to the date the contractor signs the contract, if the aggregate total of contributions given by the prospective contractor, a family member or a representative of the prospective contractor to the public official exceeds two hundred and fifty dollars (\$250) over the two year period.

Furthermore, the state agency or local public body may cancel a solicitation or proposed award for a proposed contract pursuant to Section 13-1-181 NMSA 1978 or a contract that is executed may be ratified or terminated pursuant to Section 13-1-182 NMSA 1978 of the Procurement Code if: 1) a prospective contractor, a family member of the prospective contractor, or a representative of the prospective contractor gives a campaign contribution or other thing of value to an applicable public official or the applicable public official's employees during the pendency of the procurement process or 2) a prospective contractor fails to submit a fully completed disclosure statement pursuant to the law.

The state agency or local public body that procures the services or items of tangible personal property shall indicate on the form the name or names of every applicable public official, if any, for which disclosure is required by a prospective contractor.

THIS FORM MUST BE INCLUDED IN THE REQUEST FOR PROPOSALS AND MUST BE FILED BY ANY PROSPECTIVE CONTRACTOR WHETHER OR NOT THEY, THEIR FAMILY MEMBER, OR THEIR REPRESENTATIVE HAS MADE ANY CONTRIBUTIONS SUBJECT TO DISCLOSURE.

The following definitions apply:

“Applicable public official” means a person elected to an office or a person appointed to complete a term of an elected office, who has the authority to award or influence the award of the contract for which the prospective contractor is submitting a competitive sealed proposal or who has the authority to negotiate a sole source or small purchase contract that may be awarded without submission of a sealed competitive proposal.

“Campaign Contribution” means a gift, subscription, loan, advance or deposit of money or other thing of value, including the estimated value of an in-kind contribution, that is made to or received by an applicable public official or any person authorized to raise, collect or expend contributions on that official’s behalf for the purpose of electing the official to statewide or local office. “Campaign Contribution” includes the payment of a debt incurred in an election campaign, but does not include the value of services provided without compensation or unreimbursed travel or other personal expenses of individuals who volunteer a portion or all of their time on behalf of a candidate or political committee, nor does it include the administrative or solicitation expenses of a political committee that are paid by an organization that sponsors the committee.

“Family member” means spouse, father, mother, child, father-in-law, mother-in-law, daughter-in-law or son-in-law of (a) a prospective contractor, if the prospective contractor is a natural person; or (b) an owner of a prospective contractor.

“Pendency of the procurement process” means the time period commencing with the public notice of the request for proposals and ending with the award of the contract or the cancellation of the request for proposals.

“Prospective contractor” means a person or business that is subject to the competitive sealed proposal process set forth in the Procurement Code or is not required to submit a competitive sealed proposal because that person or business qualifies for a sole source or a small purchase contract.

“Representative of a prospective contractor” means an officer or director of a corporation, a member or manager of a limited liability corporation, a partner of a partnership or a trustee of a trust of the prospective contractor.

RECITALS

WHEREAS, the County needs the services of a professional licensed engineer to _____
; and

WHEREAS, in accordance with Section 13-1-112 NMSA 1978 and the Santa Fe County Purchasing Regulations and Policy Manual, the County issued Request of Proposal (RFP) No. _____; and

WHEREAS, _____; and

WHEREAS, the County requires the services of the Engineer, and the Engineer is willing to provide these services and both parties wish to enter into this Agreement.

NOW THEREFORE, in consideration of the premises and mutual obligations herein in Parts A and Part B of this Agreement, the parties hereto do mutually agree as follows:

1. PROJECT DESCRIPTION

_____,(the “Project”).

2. SCOPE OF WORK

3. COMPENSATION, INVOICING, AND SET-OFF

A. In consideration of its obligations under this Agreement the Engineer shall be compensated as follows:

- 1) County shall pay to the Engineer in full payment for services satisfactorily performed and all costs and expenses shall be in accordance with Exhibit A (Compensation and Schedule).
- 2) The total amount payable to the Engineer under this Agreement, exclusive of gross receipts tax shall not exceed _____ (\$_____). Any New Mexico gross receipts tax levied on the amounts payable under this Agreement shall be paid by the County to the Engineer.
- 3) This amount is a maximum and not a guarantee that the work assigned to be performed by Engineer under this Agreement shall equal the amount stated herein. The maximum amount payable is NOT based on a lump sum. The parties do not intend for the Engineer to continue to provide services without compensation when the total compensation amount is reached. The County will notify the Engineer when the services provided under this Agreement reach the total compensation amount. In no event will the Engineer be paid for services provided in excess of the total compensation amount without this Agreement being amended.

B. The Engineer shall submit a written request for payment, on the form attached hereto as Exhibit B (Pay Request Form), when payment is due under this

Agreement. Upon the County's receipt of the written request, the County shall issue a written certification of complete or partial acceptance or rejection of the contractual items or services for which payment is sought. The Engineer acknowledges and agrees that the County may not make any payment hereunder unless and until the County has issued a written certification accepting the contractual items or services. Within 30 days of the issuance of a written certification accepting the contractual items or services, the County shall tender payment for the accepted items or services. In the event the County fails to tender payment within 30 days of the written certification accepting the items or services, the County shall pay late payment charges of one and one-half percent (1.5%) per month, until the amount due is paid in full.

- C. In the event the Engineer breaches this Agreement, the County may, without penalty, withhold any payments due the Engineer for the purpose of set-off until such time as the County determines the exact amount of damages it suffered as a result of the breach.
- D. Payment under the Agreement shall not foreclose the right of the County to recover excessive or illegal payment.

4. ENGINEER'S BASIC SERVICES

The Engineer shall provide the following Basic Services:

A. Study and Report Phase.

- 1) The Engineer shall consult with the County to define and clarify the requirements for the Project.
- 2) Advise the County of any need for the County to provide additional data or services which are not a part of the Engineer's Basic Services.
- 3) Identify and analyze requirements of governmental agencies having jurisdiction to approve the portions of the Project designed or specified by the Engineer.
- 4) Prepare draft Study and Report and brief and obtain the written approval of the County for the draft Study and Report, before commencing work on the Preliminary Design, Study and Report Phase.

B. Preliminary Design, Study and Report Phase

- 1) Convene a meeting with the County and other interested parties to review the Project site. Advise County if additional data, reports, or services are necessary and assist County in obtaining such data, reports, or services.
- 2) Develop and complete a Development Plan for the area in schematic form for review with County. The plans shall allow for phased construction if necessary.

- 3) Upon approval of the schematic Development Plan documents by the County, the Engineer will develop and complete preliminary Design Plans and a construction cost estimate within 30 days of authorization to proceed and review with the County. If necessary, revise Preliminary Design Phase documents in response to the County's comments.
- 4) From the approved Scope of Work the Engineer as applicable shall produce a study consisting of drawings and other documents necessary to illustrate the general planning concepts, probable Engineering system, types of materials needed and preliminary alternatives, a breakdown of the budget on current area, volume, or other unit costs, and the approximate dimensions of the project area. The Engineer shall brief and obtain the written approval of the County for the Preliminary Design, Study and Report Phase drawings and documents.
- 5) The Engineer shall obtain written approval from the County for the proposed Preliminary Design as modified by any comment during review before commencing work on the Final Design Phase.

C. Final Design Phase

Upon approval of Preliminary Design Phase documents by the County, the Engineer shall:

- 1) Prepare Final Design Plans, documents, project specifications, and develop a construction cost estimate.
- 2) Prepare a statement that identifies the need for additional data, surveys, or tests.
- 3) Submit to the County for review of written approval a statement of Probable Construction Cost at the completion of the Final Design Phase. Should the Engineer conclude at any time that the budget and Scope of Work to accomplished are incompatible; the County shall be notified immediately in writing with proposed recommendations to reconcile the incompatibility.
- 4) Convene a meeting with the County and other interested parties to review the Final Design Plans, Project Specifications and Cost Estimate. If necessary revise such final Design Phase documents, Project Specifications, and Cost Estimate.
- 5) Upon approval of final Design Phase documents by the County, prepare and deliver Design Phase document, Project Specifications and Cost Estimate.
- 6) Deliver signed/sealed construction drawings and bid documents for submittal for permits.
- 7) Assist the County at all regulatory review meetings, present design, respond to review questions, revise plans if necessary to obtain approvals.
- 8) Provide County with three full size and three half size sets of the 100% construction plan, electronic copy of the Project

specifications and cost estimate. AutoCAD and PDF copies of the construction drawings shall be provided to the County upon request.

D. Bidding and Negotiating Phase

The Engineer shall:

- 1) If requested, assist the County in obtaining bids or proposals and awarding and preparing contracts for construction.
- 2) Attend pre-bid conference and assist in preparing addenda.
- 3) Assist the County to clarify and answer any questions about the bidding or proposal documents during the bidding or proposal process.
- 4) Identify any changes during the bidding or proposal process that may require addenda.
- 5) Submit all proposed addenda, including all revised drawings and sections, for approval by the County prior to distribution. The Engineer shall allow sufficient time for County review and acceptance of each addendum.
- 6) Assist the County to issue addenda as required to all bidders or offerors.
- 7) Assist the County to identify the apparent successful bidder or proposal and provide written recommendation to accept or reject the bids and/or related proposals.

E. Construction Phase

The Engineer shall:

- 1) Participate in a pre-construction conference.
- 2) Provide a minimum of one weekly or one monthly on site observation(s) during the Construction Phase to protect the County against defects and deficiencies in construction, in addition to critical inspections, reviews and evaluations required by the Scope of Work. The results of all on site observations shall be documented in field reports submitted to the County within seven days of each site visit.
- 3) Determine, certify, and make recommendations to the County for payment of amounts owing to the construction contractor subject to the County's approval, based on observations at the site and on evaluations of the construction contractor's application for payment.
- 4) Assist the County in reviewing change orders.
- 5) Conduct final site visit with the County to determine if completed work is acceptable and issue a Notice of Substantial Completion.
- 6) Finalize "As-Built" plans to include construction contractor's mark-ups.

F. Project Closeout and 11 Month Warranty Inspection Phase

- 1) General. The Engineer shall submit to the County recommendations to regarding the completion of the construction. The Engineer shall obtain

**GENERAL TERMS AND CONDITIONS OF THE
AGREEMENT BETWEEN
SANTA FE COUNTY and ENGINEER
FOR PROFESSIONAL SERVICES**

2013 Edition, Version 1.0, Part B of the
Agreement

Changes, additions, deletions and/or any modifications other than those agreed upon execution of this contract, without the written consent of Santa Fe County shall render this document null and void.

1. SCOPE OF WORK

Engineer shall provide the services set forth in Part A Section 2 (Scope of Work) of this Agreement and as provided in Exhibit A.

2. EFFECTIVE DATE AND TERM

The Agreement shall, upon due execution by all parties, become effective as of the date first written in Part A and shall terminate _____() , unless earlier terminated pursuant to Section 4 (Termination) or Section 5 (Appropriations and Authorizations) of these General Terms and Conditions.

3. ADDITIONAL SERVICES

- A. The parties agree that all tasks set forth in Section 1 (Scope of Work) above and Section 4 (Engineer's Basic Services) of Part A of the Agreement, shall be completed in full, to the satisfaction of the County, for the amount set forth in Section 3 (Compensation, Invoicing, and Set-Off) of Part A of this Agreement, and for no other cost, amount, fee, or expense.

- B. The County may from time-to-time request changes in the Scope of Work to be performed hereunder. Such changes, including any increase or decrease in the amount of the Contractor's compensation, which are mutually agreed upon by and between the County and the Engineer, shall be incorporated in written amendments to this Agreement.

4. TERMINATION

- A. Termination of Agreement for Cause. Either party may terminate the Agreement based upon any material breach of this Agreement by the other party. The non-breaching party shall give the breaching party written notice of termination specifying the grounds for the termination. The termination shall be effective 30 days from the breaching party's receipt of the notice of termination, during which time the breaching party shall have the right to cure the breach. If, however, the breach cannot with due diligence be cured within 30 days, the breaching party shall have a reasonable time to cure the breach, provided that, within 30 days of its receipt of the written notice of termination, the breaching party began to cure the breach and advised then non-breaching party in writing that it intended to cure.
- B. Termination for Convenience of the County. The County may, in its discretion, terminate this Agreement at any time for any reason by giving the Engineer written notice of termination. The notice shall specify the effective date of termination, which shall not be less than 15 days from the Engineer's receipt of the notice. The County shall pay the Engineer for acceptable work, determined in accordance with the specifications and standards set forth in this Agreement, performed before the effective date of termination but shall not be liable for any work or service performed after the effective date of termination.

5. APPROPRIATIONS AND AUTHORIZATIONS

This Agreement is contingent upon sufficient appropriations and authorizations being made for performance of this Agreement by the Santa Fe Board of County Commissioners and/or, if state funds are involved, the Legislature of the State of New Mexico. If sufficient appropriations and authorizations are not made in this or future fiscal years, this Agreement shall terminate upon written notice by the County to the Engineer. Such termination shall be without penalty to the County, and the County shall have no duty to reimburse the Engineer for expenditures made in the performance of this Agreement. The County is expressly not committed to expenditure of any funds until such time as they are programmed, budgeted, encumbered, and approved for expenditure by the County. The County's decision as to whether sufficient appropriations and authorizations have been made for the fulfillment of this Agreement shall be final and not subject to challenge by the Engineer in any way or forum, including a lawsuit.

6. INDEPENDENT CONTRACTOR, SUBCONTRACTING AND PERSONNEL

- A. Independent Contractor. The Engineer and its agents and employees are independent contractors and are not employees or agents of the County. Accordingly, the Engineer and its agents and employees shall not accrue leave, participate in retirement plans, insurance plans, or liability bonding, use County vehicles, or participate in any other benefits afforded to employees of the County. Except as may be expressly authorized elsewhere in this Agreement, the Engineer has no authority to bind, represent, or otherwise act on behalf of the County and agrees not to purport to do so.
- B. Subcontracting. The Engineer shall not subcontract or delegate any portion of the services to be performed under this Agreement without the advance written approval of the County. Any attempted subcontracting or delegating without the County's advance written approval shall be null and void and without any legal effect.
- C. Personnel.
 - 5) All work performed under this Agreement shall be performed by the Engineer or under its supervision.
 - 6) The Engineer represents that it has, or will secure at its own expense, all personnel required to discharge its obligations under this Agreement. Such personnel (i) shall not be employees of or have any contractual relationships with the County and (ii) shall be fully qualified and licensed or otherwise authorized or permitted under federal, state, and local law to perform such work.

7. ASSIGNMENT

The Engineer shall not assign or transfer any interest in this Agreement or assign any claims for money due or to become due under this Agreement without the advance written approval of the County. Any attempted assignment or transfer without County's advance written approval shall be null and void and without any legal effect.

8. RELEASE

Upon its receipt of all payments due under this Agreement, Engineer releases County, its Elected Officials, officers, agents and employees from all liabilities, claims, and obligations whatsoever arising from or under or relating to this Agreement.

9. CONFIDENTIALITY

Any confidential information provided to or developed by the Engineer in the performance of this Agreement shall be kept confidential and shall not be made available to any individual or organization by the Engineer without prior approval from the County.

10. PUBLICATION, REPRODUCTION, AND USE OF MATERIAL; COPYRIGHT

County has the unrestricted right to publish, disclose, distribute and otherwise use, in whole or in part, any reports, data, or other material prepared under or pursuant to this Agreement. To the extent any material is copyrightable, the County shall own such copy right.

11. CONFLICT OF INTEREST

Engineer represents that it has no and shall not require any interest, direct or indirect, that would conflict in any manner or degree with the performance of its obligations under the Agreement.

12. NO ORAL MODIFICATIONS; WRITTEN AMENDMENTS REQUIRED

The Agreement may not be modified, altered, changed, or amended orally but, rather, only by an instrument in writing executed by the parties hereto. Engineer specifically acknowledges and agrees that County shall not be responsible for any changes to Section 1 (Scope of Work), Part A of the Agreement unless such changes are set forth in a duly executed written amendment to the Agreement.

13. ENTIRE AGREEMENT; INTEGRATION

The Agreement incorporates all the agreements, covenants, and understandings between the parties hereto concerning the subject matter hereof, and all such agreements, covenants and understandings have been merged into the written Agreement. No prior or contemporaneous agreement, covenant or understandings verbal or otherwise, of the parties or their agents shall be valid or enforceable unless embodied in the Agreement.

14. EXHIBITS AND ATTACHMENTS: INCORPORATION BY REFERENCE

All exhibits, attachments, riders, and addenda referred to in the Agreement, including but not limited to the Exhibits referred to in this Agreement, as listed in Paragraph 7 (Exhibits List) in Part A of this Agreement, are hereby incorporated into this Agreement by reference and made a part hereof as though set forth in full in this Agreement to the extent they are consistent with its conditions and terms.

15. NOTICE OF PENALTIES

The Procurement Code, Section 13-1-28 through 13-1-199 NMSA 1978 imposes civil and criminal penalties for its violation. In addition, New Mexico criminal statutes felony penalties for bribes, gratuities, and kickbacks.

16. EQUAL EMPLOYMENT OPPORTUNITY COMPLIANCE

- A. Engineer agrees to abide by all Federal, State, and local laws, ordinances, and rules and regulations pertaining to equal opportunity and unlawful discrimination. Without in any way limiting the foregoing general obligation, Engineer specifically agrees not to discriminate against any person with regard to employment with Engineer or participation in any program or activity offered pursuant to this

Agreement on the grounds of race, age, religion, color, national origin, ancestry, sex, physical or mental handicap, serious medical condition, spousal affiliation, sexual orientation, or gender identity.

- B. Engineer acknowledges and agrees that failure to comply with this Section shall constitute a material breach of the Agreement.

17. COMPLIANCE WITH APPLICABLE LAW; CHOICE OF LAW

- A. In performing its obligations hereunder, Engineer shall comply with all applicable laws, ordinances, and regulations.
- B. This Agreement shall be construed in accordance with the substantive laws of the State of New Mexico, without regard to its choice of law rules.

18. RECORDS AND INSPECTIONS

- A. To the extent their books and records relate to (i) their performance of the Agreement or any subcontract entered into pursuant to it or (ii) cost or pricing data (if any) set forth in the Agreement or that was required to be submitted to County as part of the procurement process, Engineer agrees to (i) maintain such books and records during the term of the Agreement for a period of six (6) years from the date of final payment under the Agreement; (ii) allow County or its designee to audit such books and records at reasonable times and upon reasonable notice; and (iii) to keep such books and records in accordance with generally accepted accounting principles (“GAAP”).
- B. To the extent their books and records relate to (i) their performance of the Agreement or any subcontract entered into pursuant to it or (ii) cost or pricing data (if any) set forth in the Agreement or that was required to be submitted to County as part of the procurement process, Engineer also agrees to require any subcontractor it may hire to perform its obligations under this Agreement to (i) maintain such books and records during the term of the Agreement and for a period of six (6) years from the date of final payment under the subcontract:(ii) to allow county or its designee to audit such books and records at reasonable times and upon reasonable not notice; and (iii) to keep such books and records in with GAAP.

19. INDEMNIFICATION

- A. Engineer shall defend, indemnify, and hold harmless County and its Elected Officials, agents, and employees from any losses, liabilities, damages, demands, suits causes of action, judgments, costs or expenses (including but not limited to court costs and attorneys’ fees) resulting from or directly or indirectly arising out of Engineer’s performance or non-performance of its obligations under this Agreement, including but not limited to Engineer’s breach of any representation or warranty made herein.

- B. County shall have the right to approve any counsel retained by Engineer to defend any demand, suit, or cause of action in which County is named, such approval not to be unreasonably withheld. Engineer agrees (i) that County shall have the right to control and participate in the defense of any such demand, suit, or cause of action concerning matters that relate to the County and (ii) that such suit will not be settled without County’s consent, such consent not to be unreasonably withheld. If in County’s judgment, a conflict exists between the interests of County and Engineer such demand, suit, or cause of action, County may retain its own counsel, whose fees shall be paid by Engineer.
- C. Engineer’s obligations under this section shall not be limited by the provisions of any insurance policy Engineer is required to maintain under this Agreement.

20. SEVERABILITY

If any term or condition of the Agreement shall be held invalid or non-enforceable by any court of competent jurisdiction, the remainder of the Agreement shall not be affected and shall be valid and enforceable to the fullest extent of the law.

21. NOTICES

Any notice required to be given to either party by the Agreement shall be in writing and shall be delivered in person, by courier service or by U.S. mail, either first class or certified, return receipt requested, postage prepaid, as follows:

To the County: Santa Fe County
 Office of the County Attorney
 102 Grant Avenue
