1. In the section titled GENERAL the following sections 10 through 24 are inserted.

10. Effective date and Term.

The effective date of this Addendum is the date of last signature by the parties. The service period of Terralogic Contract No. 4879 is July 1, 2026, to June 30, 2027. If, however, the breach cannot with due diligence be cured within 30 days, the breaching party will have a reasonable time to cure the breach, provided that, within 30 days of its receipt of the written notice of termination, the breaching party began to cure the breach and advised the non-breaching party in writing that it intended to cure.
