RE: **Declaration of Emergency – Procure Services for Repair of the Water Well Located at Nancy Rodriquez Senior Center and Romero Park in Santa Fe New Mexico, Pursuant to NMSA 1978, 13-1-127, Emergency**

Issue:

On Friday May 20, 2022, the Utilities Division contacted the Procurement Manager regarding the failure of the water well located at the Nancy Rodriquez Center and Romero Park. The Utilities Supervisor requested that a declaration of emergency be made in order to mobilize and direct the repair of the well, as soon as possible.

The Supervisor indicated that Kuckelman Pump Service was the only Contractor who was available to mobilize to the site, but that the Contractor required that County issue an open encumbrance to the Contractor before he would mobilize his crew. As the Public Works/Utilities Division do not have the adequate equipment or crew to pull the well pump, and as Procurement Manager for the County, I verbally directed the Utilities Supervisor to proceed with obtaining the services of Kuckelman Pump Service to mobilize and purchase order would be provided.

Determination:

Due to the interruption of water service to the County facility, as well as to the La Familia Primary Clinic, the health and safety of the public was jeopardized and required immediate action to provide water to repair and resupply the water to the area.

It is therefore the determination of the County Procurement Manager, CPO that the services needed for the repairs at the above mentioned location meets the requirements of an emergency procurement, pursuant to NMSA 1978, 13-1-127.

All work and costs associated with this determination is limited to the services required for the repairs located at the subject location in Santa Fe, New Mexico.
