- C. "Purchase Order" means a fully executed purchase document issued by the County Purchasing Division that specifies the items and services to be provided by the Contractor.

The Contractor is required to accept the Purchase Order and furnish the item(s) or services.
- D. **Specifications.** The item or services to be furnished under this Price Agreement must meet or exceed the specifications provided in IFB No.2026-0350-PW including all addenda. Orders issued pursuant to this Agreement must show the applicable Price Agreement items(s) or services(s).

Unless otherwise agreed upon, between the Department and the Contractor within 30 days from the delivery and receipt of items or deliverables, the Using Department must issue a written certification of complete or partial acceptance or rejection of any item or service. Unless the Using Department gives notice of rejection within the specified time period, the items will be deemed to have been accepted.

 - C. The Contractor may be excused from performance if the Contractor's failure to perform the order arises out of causes beyond the control and without the fault or negligence of the Contractor, unless the County determines that the item, to be furnished by a sub-contractor, is obtainable from other sources in sufficient time to permit the Contractor to meet the required delivery schedule.
 - D. Such causes of excuse include, but are not limited to acts of God or the public enemy, acts of the County or federal government, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, unusually severe weather and defaults of sub-contractors due to any of the above.

The County's decision as to whether sufficient appropriations are available will be accepted by the Contractor and will be final.
