The Board of County Commissioners (“BCC”) of Santa Fe County, New Mexico, a political subdivision of the State of New Mexico (“County”) plans to complete a river restoration project and construct a public multi-use trail approximately 8 miles along the Santa Fe River from Frenchy’s Field to the Waste Water Treatment Plant near NM 599. The river restoration and trail will be known as the **Santa Fe River Greenway**. As part of its planning of the Santa Fe River Greenway, the County requests permission from property owners along the affected segment of the Santa Fe River for Santa Fe County and its agents or contractors to enter a portion of your property where necessary to conduct activities necessary for preliminary inspection and planning development activities for the Santa Fe River Greenway. These inspection and planning activities are part of the County’s due diligence in determining the property or property interests that need to be acquired by Santa Fe County for the completion of the Santa Fe River Greenway.

A. On the execution of this Agreement, Santa Fe County, its employees, agents, contractors shall have the irrevocable right to enter onto and exit from the Property described above and carry out any necessary preliminary work, including archaeological, environmental assessment, hydrologic, hydraulic, topographic and geological surveys, survey and appraisals, and all due diligence necessary for the County’s determination to acquire an easement or fee interest in a portion of the owner’s property. The County, its employees, agents or contractor shall make every effort to minimize the impact of these activities on the owner’s Property and perform such activities in a manner so as to cause the least possible disturbance to the possession of the owner.

B. The County agrees to compensate the owner for any damage caused by or resulting from ingress and egress and the acts performed by the County, its employees, agents and contractor and compensate the owner for any damage to the owner’s property caused by the acts performed under the terms of this Agreement. The County’s maximum damage shall not exceed the fair market value of the affected or damaged portion of the owner’s property.

C. This Right to Enter Agreement shall be a covenant that runs with the land. As such it shall pass to any subsequent owner of the Property who succeeds to the interest of the Property owner named herein.

D. Term of Agreement and Terms of Entry and Use.

1. The term of this Right to Enter Agreement shall be from the date of signature by the Property owner until June 30, 2014, unless terminated earlier by the County.

2. Ingress and egress by the County, its employees, agents or consultants shall occur between the hours of 7:00 a.m. and 6:00 p.m. Monday through Friday, except County recognized holidays.

3. The County, its employees, agents and contractor(s) shall enter upon and exit the Property solely for the purposes of engaging in archaeological, environmental assessment, hydrologic, hydraulic, topographic and geological surveys, survey and appraisals, and all due diligence necessary for the County's determination to acquire an easement or fee interest in a portion of the Property for the Santa River Greenway project.

Each party to this Agreement has caused it to be executed on the date indicated below.
