Hello Mr, Sisneros,

I know you are probably getting inundated with mail / email regarding the solar battery project at Rancho Viejo so I will keep it short.

YES we are in favor of the project. It will bring clean energy to Santa Fe, many residents will benefit, it will help save the planet and it will provide jobs and an economic boost to Santa Fe.

We live in Eldorado and have no issues with the project and can see the many benefits! Please count us in as YES to proceed!!

Thank you,

Scott and Stephani Hartung
