Hi Dominic!

I have some Rancho Viejo Petitions of support we have gathered. Please see that this gets added to the filing for the County Commissioners. There will be a few batches in this thread.

**Please note for transparency:** While the petition says it's for the Planning Commission, this batch of signatures is targeted at the Board of County Commissioners. We just wanted to finish the old petitions we spent money on to print, and those people who signed do know that information.

Best,
