I was already distressed when you held all of the earlier AES hearings during the weekday, when many County residents must go to work. Now I understand you don't want the upcoming hearing to be held in a place where any members of the community can attend. You represent the citizens of Santa Fe County, not an out-of-state corporation. You need to do the right thing and allow all who are able to attend. We need to see and hear what our ELECTED officials are doing and saying so we can make informed decisions during the next election cycle.
