Subject: Rancho Viejo Solar - Plume Study Submittal and Witness List

Hi Dominic,

Attached is the Plume Study for review by Santa Fe County Fire Prevention and Atar Fire. While this submittal, as specified by Condition p. of the Planning Commission's recorded order, is not required until prior to recordation of the CUP, it is being submitted now to be included in the administrative record for the August 11 and 12 Board of County Commissioners hearing. The service list is included on the distribution for this email, accordingly.

As you are aware, the full application materials are posted to the County's website here:
<https://www.santafecountynm.gov/growth-management/building-development/large-scale-renewable-energy-projects-2024/uaes>

Please also find the witness list for Rancho Viejo Solar, LLC, below:

- Joshua Mayer, Rancho Viejo Solar, LLC
- Mike Simpson, Rancho Viejo Solar, LLC
- Matt Gordon, Rancho Viejo Solar, LLC
- Travis Stowers (alternate witness, may call), Rancho Viejo Solar, LLC
- Adrian Hogel, SWCA Environmental Consultants
- Tim Connelly, Hippauf, Dry, and Connelly, LLC
- Warren Thompson, Rancho Viejo Limited Partnership
- Todd LaBerge (may-call witness), Atar Fire
- Nicholas Bartlett (may-call witness), Atar Fire

Luke Pierpont of Harwood Pierpont attorneys at law will be providing legal counsel for Rancho Viejo Solar, LLC.

Thank you,
Matt
