**Santa Fe County**  
**4-H/FFA Indoor Exhibits**  
**General Rules and Policies**

1. Any bona fide 4-H and FFA member in Santa Fe County in good standing is eligible to exhibit, provided he/she has not reached his/her 20th birthday as of January 1. A 4-H member is in good standing if they have complied with the club or state requirements of membership and were enrolled in a club/project by March 1st of the current year.
2. All exhibit entries must be checked in before being displayed. Superintendents will be in charge. See Calendar of Events for check-in times. All 4-H exhibits must be pre-registered by July 18, 2018. All 4-H members must have signed and submitted the Santa Fe County Fair Code of Ethics form and have participated in fair clean-up day in order to exhibit in the 4-H section.
3. Only official personnel, superintendents and judges will be allowed in the exhibit area during judging of the exhibits.
4. The decision of the judges is final.
5. Awards: Ribbons will be awarded to all exhibits. Modified Danish Ribbon System will be used in the indoor exhibits for novice, juniors and seniors. Cloverbuds will be awarded participation ribbons as mandated by New Mexico State 4-H.

One Best of Show ribbon may be presented in each project area. Indoor Exhibits High Point and Runner-up for Novice, Junior and Senior exhibitors will be recognized in the indoor exhibit area.

The following point system will be used to determine awards:

Best of Show—10 points	State Fair Exhibit—8 points
Blue award—6 points	Red award—4 points
	White award—2 points

6. 4-H indoor exhibits cannot be shown at the New Mexico State Fair unless they are shown at the County 4-H Fair. Those blue ribbon exhibits chosen for exhibition at the State Fair will receive a State Fair tag. Only the judges will determine which exhibits will be selected for State Fair, not all 1st place winners have to be chosen. It is strictly at the judges' discretion. Cloverbuds are not eligible to exhibit at State Fair.
7. Tape or sew a label giving the exhibitor's name, club, and year of project on each article. This is in addition to the fair exhibitor label, which must be placed on the front of the item and attached securely.
8. All Self-Determined entries must be accompanied by a completed Self-Determined Project Record Form 100.SD-1 (R-03). Be sure the sheet is securely attached.
9. Exhibit Sizing Guidelines:

**Posters** may be no larger than 14x22 inches (this is half a standard sheet of poster board).

**Display Boards** may be no larger than 18x48 inches (this is a small display board or half of a standard display board).

**Other Exhibit Boards** Bases for three-dimensional vertical displays may be no larger than 24 x 24 inches.

**Project specific Boards** Some project boards are given specific measurements within the project. For example, leather craft and braiding have guidelines in the project book. If an exhibit is defined by the project book that is the rule members must follow.

**Photography Exhibits** See specific sizing guidelines under the Photography Section. Photos may be mounted or matted with a material strong enough to withstand transport and display (cardboard, mat board, poster board, etc.).

10. The Cooperative Extension Service, The Santa Fe County Fair Board and the Santa Fe County 4-H Council will take every precaution for the safety of visitors and exhibits, but assumes no liability for personal injury or for loss or damage to any property of the concessionaire, exhibitor or patron due to theft, fire or other causes.
11. Exhibitors (individual 4-H and FFA members) are restricted to one exhibit per class except in Flowers & Vegetables (see special rules).
12. All exhibits must be current year 4-H/FFA work and done by the exhibitor.
13. 4-Hers must be enrolled in the project and meet project requirements. Judging will be based on the standards listed in the 4-H project book. Judges will determine the merit of each exhibit. Should space be limited, only the top placing exhibits will be displayed after judging.
14. Indoor Exhibits may be claimed Sunday, August 5, between 10:00 am-Noon. **Exhibits will NOT be released early.**
15. There will be a general meeting for all exhibitors and their parents/guardians on Saturday, July 28th following the **mandatory fair clean-up**. It is in the exhibitors' best interest **NOT** to miss this meeting as rule changes will be announced. Announcements will be posted in central locations. It is the exhibitors' responsibility to know and comply with current rules and policies.
16. Those who have not abided by the above rules may only enter exhibits under open youth (note: not all exhibits have a correlating open youth category).

The Show specifically reserves the right to have tissue, blood or urine laboratory analysis made on any animal entered for competition. The conclusions reached by the veterinarian as to whether such animal has been administered or given a substance or a drug in violation of the rules or has not been properly withdrawn from approved drugs shall be final, without recourse against the show or any of its officers. A licensed veterinarian should be consulted before administering any medication or growth stimulant.
  - a. The use of any chemical compound that is not approved by the FDA for use in meat producing animals and the illegal use of approved chemicals or compounds is prohibited. Unapproved is deemed to mean not approved by the Food and Drug Administration (FDA) and/or the U.S. Department of Agriculture (USDA) for slaughter animals. If an animal passes all USDA tests but fails any FDA testing for the presence of drug(s) or other chemicals, the animal will be condemned by show officials and not allowed for consumption.
  - b. FDA-approved calming agents can be used before and during the show. It is advised that when using before the show, one should follow the recommended dosage on the product label. For the agent to work properly, and to coincide with the time of the show, one is to make sure that it is distributed to the appropriate animal in enough allotted time. During the

- show, can be defined as the time upon when the animal is unloaded at the fairgrounds and until it departs. The use of the calming agent is only to be used for animals which are either unruly or under extreme stress associated with a change in environment. For the safety of the animal, any animal which carries stress-related genes may also be subject to a calming agent. These agents are to be used with the safety of the exhibitor and the attendees of the Santa Fe County Fair in mind. Unruly animals are a liability risk to the children and spectators of the fair. If the calming agents have no effect on the animal, then a decision by the fair board members must be made as to whether the animal will be allowed to be in residence at the fairgrounds or to be shown.

    - iii. Drug label directions for use and withdrawal periods must be followed.
    - iv. If drug or chemical residues are found in tissue of carcasses, the entire carcass may be condemned.
  20. It is the sole responsibility of the exhibitor to insure that the animal is free of the above prescribed drugs and substances. Extent of knowledge on the part of the exhibitor with regard to the drugs or substance found in an animal is not relevant to any issue, and it shall not be a defense that a person or persons unknown introduced the prescribed substance into the animal.
  21. In the case of antibiotic use in an animal prior to show, the exhibitor must notify the County Agent and the Superintendent of the species. The animal will qualify to show but not to sell if withdrawal time period has not been met.

3. General Rules and Policies
4. Cages for small animals will be provided by the fair.
5. The fair will try to provide containers for water and food, but the exhibitors may substitute their own if not obtrusive. Exhibitors will be responsible for feeding and watering. All small animals must have water at all times and food for, at least, several hours a day.
6. Small animals will be released at the designated time in the schedule after cleanup. Exhibitors not participating in cleanup may be assessed a \$25 clean-up fee. **The Santa Fe County Fair management may refuse entry in future years to an exhibitor who fails to give proper care to his or her animals until release or fails to properly clean pens and grounds.**
7. Exhibitors of small animals that are selected for the Junior Livestock Auction will be required to complete a Livestock Terms of Agreement Form prior to the sale.

## Rabbit

1. No substitutions are allowed once the rabbits are entered. Show rabbits will be at least 3 months old at time of judging except Single Fryers and Meat Pens.
2. Rabbits are to be entered in accordance to the class list provided. Fur & wool classes are entered first in the regular show. See fur & wool class for details.
3. Rabbits will be judged in accordance to the American Rabbit Breeders Association's Standard of Perfection. Modifications in judging order will vary from the Standard in variety, but rabbits themselves will be judged to the Standard. Crossbreeds have no standard to be judged by, so will be left up to the discretion of the judge.
4. Rabbits will be judged by breed, sex & age. Best of Show will be taken from the Best of Breed. Single rabbits in a breed will be considered Best of Breed.
5. Classifying rabbits: At time of check-in, rabbits will be checked for proper breed, sex and variety. At that time the exhibitor has the option of entering the rabbit in the correct class, or leaves it as entered.
6. Rabbits used in showmanship must be exhibited in the show. **Official Dress Code Applies:** See item #7 in Livestock General Rules and Policies.
7. All rabbits must have permanent tattoo in the left ear. All rabbit ear tattoos must match the tattoo listed on the registration form. This applies to meat pens and individual entries.
8. Any 4-H member may place a rabbit on the show table, if the owner is not able to do so themselves.

### Wool and Fur Rabbits- Working

Any rabbit entered in the Fur or Wool classes must be entered in the regular show. Rabbits will be judged by breed, then by coat type to determine the winner in either Fur or Wool. Rabbits entries will be limited to only 1 (one) rabbit per breed per exhibitor. Example: if an exhibitor has Mini Rexes, they may show only one in fur. If an exhibitor has Mini Rexes and Satins, then the exhibitor may show one Mini Rex and one Satin. All prospective rabbits shown in the fur or wool class must be entered with the other entries; the rabbit that will be shown can be chosen on judging day and entered at the time the class is judged.
