Veterans Exemption

Information and how to apply: The Veteran's Exemption is a \$4,000 reduction in your taxable value and the Disabled Veteran's exemption is a 100% exemption from property taxes. Both may be claimed by any honorably discharged veteran or the unmarried surviving spouse. The New Mexico Department of Veteran's Services determines eligibility and a Certificate of Eligibility will be issued. Once you receive the certificate, you must present it along with this completed form to the Assessor's office in person to apply for the exemption. Once the exemption is claimed and allowed, it shall apply to subsequent years as long as there is no change in eligibility or ownership status. If you have claimed the exemption with the Motor Vehicle Division, you must come into the Assessor's office and report it, as only the remaining portion of the exemption will be allowed. You do not need to sign and return the form if you are already receiving the exemption.
