

New Mexico Solutions

Mobile Crisis Response Services

Begin April 1, 2020. New Mexico Solutions in partnership with Santa Fe County will be implementing modified crisis support services for Santa Fe County residents. NMS will be working directly with community partners in order to identify and provide mental health support services for persons challenged with mental health illness.

Services will include:

Bilingual telephonic counseling by a licensed professional
Case Management
Outreach Services
Referral Coordination through Santa Fe Connect.
Limited medication support

Target Population:

Family members of persons with chronic mental health issues
Persons with chronic mental health issues who are isolated due to COVID-19
Members of NAMI
Mental health service providers

If you have any question or are in need of the services outlined on this flyer please feel free to contact the Crisis Center Director, Mr. Omar Vega at **505-365-3466. Referrals for outreach and support may also be sent to**
