Meeting Notes

The meeting started with a presentation by William Mee about the background of the United Communities of Santa Fe County Organization, followed by the planning staff presentation on the origin and functions of the CO/RO program. Planning staff asked an Ice Breaker Question and already have been receiving answers and ideas from the CO's and RO's. The CO's and RO's would like more information about the following topics:

- Better communication with the county.
- Expand awareness among public about available programs to all communities in the County.
- CO's and RO's want consistent meetings with the Planning division monthly or bi monthly.

At the end of the presentation we opened the floor to anyone with questions and concerns. The meeting was a success and working alongside our communities is our goal, we look forward to our next meeting and discussing, working and helping our fellow Community and Registered Organizations.

The next COCO meeting will be held on May 16th, 2022 at 5:30 pm.
