

Issues		Connecting Actions		Visions
--------	--	--------------------	--	---------

**Agriculture**

Limitations placed on equine, goat, chicken, horse and agricultural use		Determine appropriate usage		Will promote private use of land for agricultural purposes
Obstacles to equestrian business and lifestyles		Determine appropriately scaled uses		Will have a thriving equestrian community
Limitations on livestock and agricultural use		Investigate the current typical size of equestrian business (and relation to acreage)		Will showcase personal ownership of horses, goats and chickens
Unknown information on current numbers of horses people use personally		Review small business-equine		Will cultivate horse businesses and extensive horse-friendly trails
		Community Access-easement for trails		Will propagate ranchland and trails
		Connect with Community College and other training resources		Will enable rural lifestyle
		Implement innovative technology		Will inspire rural character and lifestyle
		Adopt Innovative economic practices		Farmer's market at existing business
		Share new best practices		Support stewardship of buffalo, llama, donkey, sheep etc.
		Create flexible, dynamic regulations to incorporate new technologies		Promote sensible stewardship of livestock, as property can support

Coordinate with real estate agents and developers to align vision and disclosures
Post public information on website
<del>Create community</del> ambassadors program to maintain stewardship ethic
