New Mexico 4-H Healthy Living Summit

April 27-29, 2018

Check-in: April 27 @ 4:00 PM

Program Concludes: April 29 @ 11:30 AM

New Mexico 4-H is looking for high school aged youth, in grades 8-12 with an interest in the Healthy Living programs who want to grow their leadership skills, learn more about the Healthy Living area and return to their county with new ideas to put into action and serve as ambassadors for 4-H Healthy Living.

We encourage at least one adult mentor per county team, but this is not required. Each team will be developing an action plan for healthy living programs in their area.

Youth do not have to be enrolled in 4-H, but must register for this event through the County Extension Office in their county.

Registration Deadline: April 13, 2018
