

Santa Fe County Commissioner Garcia Newsletter

Fall is here and the beautiful golden leaves are all around us. Here are a few things happening in our District.

Madrid had a wonderful turn out for their fall fiestas in September. Great food, fun entertainment and beautiful artwork by some of our local artist. Always such a fun time of year to get out and socialize in the community.

I am proud to share my passion for the Global Climate strike with my fellow constituents, Commissioners, friends and Santa Fe youth who came out by the hundreds to demand a just climate transition

Commissioner Garcia would like to give a big thank you to all who participated this year in the Santa Fe County Fair. The hard work, time and dedication is such a wonderful measure we see every year!

Cerrillos Hills State Park celebrated their 10-year anniversary with a donkey hike led by members of the Rio Grande Donkey and Mule association, live music, live raptors provided by New Mexico Raptors.

On October 23, 2019 we went out to the Edgewood Senior Center for the Ribbon cutting and celebration of the new renovation at the senior center. Alongside Mayor Basset and Councilor Holle we were greeted by seniors in the community that enjoy the facility and the new addition. We had a chance to talk with the community about upcoming projects in Edgewood and get feedback on changes and improvements. I'm proud to serve my community and honored to be a part of this growing town in my district.
