## What is CONNECT?

*Are you a Santa Fe County or City resident? Do you need assistance with food, housing, utilities or transportation?*

Whether you are looking for yourself, or are assisting someone else, the **CONNECT** Resource Directory can help you find and ‘connect’ to the support you are seeking by providing a listing of City, County, non-profits, and other providers within the County and City of Santa Fe (and nearby areas). Inclusion in this directory is not an endorsement.

**CONNECT** is a network of navigators at clinics, community organizations, and city and county programs. Navigators are community health workers, peer support workers, or social workers who link people to services and resources in our community. Agencies in the network are connected through a shared technology platform enabling navigators to send and receive secure electronic referrals, address residents’ social needs, and improve individual and community health.

**CONNECT** network participating organizations are indicated by an \*.

## SANTA FE COUNTY COMMUNITY SERVICES DEPARTMENT

The Santa Fe County Community Services Department includes the following programs:

The **Santa Fe County Health Services Division** has two major programs, **CONNECT** and the **Health Care Assistance Program**. CONNECT is a network of clinics, community organizations, and city and county programs who link people to services and resources in our community. The Health Care Assistance Program provides support for health care for the indigent, as well as contractual projects to support the priorities of the Health Action Plan to link individuals by connecting them with the clinical care and community services they need to stay healthy, leading to improved community health. For more information, contact (505) 995-9526 or visit our Santa Fe County Health Services Division website, [www.santafecountynm.gov/community\\_services/hhsd](http://www.santafecountynm.gov/community_services/hhsd).

**Santa Fe County Senior Services** promotes and enhances the physical, intellectual and social well-being of seniors living in Santa Fe County while providing many opportunities for creativity, learning and socialization. The Senior Services Program offers a wide range of quality programs and services to residents of Santa Fe County through County operated Senior Centers including congregate meals, Meals on Wheels and transportation services.

The **Santa Fe County DWI Program** promotes the safety of the people in Santa Fe County by developing and implementing programs to prevent

or reduce the incidence of DWI, alcoholism, and alcohol and other drug abuse in Santa Fe County. For more information, contact: (505) 992-9875.

The **Santa Fe County Teen Court** serves as a community-based intervention and diversion program designed to provide an alternative response for the juvenile justice system. Teen Court is a nationally recognized early intervention and restorative justice program for juveniles (ages 12-17) and has been serving teens and families in our community since 1994. For more information, contact: (505) 995-9555.

**engage** is a law enforcement assisted diversion program that diverts or refers individuals suspected of low-level, non-violent crimes rooted in unmet behavioral health needs to high intensity, community-based case management. For more information, contact: (505) 986-6372.

The **Santa Fe County Behavioral Health Division** is striving to provide a strong continuum of behavioral health care for Santa Fe County residents that can and will positively impact homelessness, overcrowding in our jails, improved public safety, overcrowded emergency rooms, and access to quality health and behavioral health care within our community.

La Sala Center provides a safe and secure place for adults with behavioral health issues (mental illness and/or addictions) and their families and/or caregivers to find information and receive assistance in times of crisis.

The Mobile Crisis Response team partners with emergency first responders to offer 24/7 “in the field” assistance to individuals 14 years of age and older needing crisis intervention and support, through Santa Fe County 911 Dispatch. For more information on La Sala Center, please contact: (505) 992-9827.

Additional Santa Fe County Programs that are part of CONNECT:

recent years to assist and support inmates when being released from our facility. For more information, contact: (505) 471-4941.

The Housing Authority currently manages 199 public housing units and 314 Housing Choice Vouchers, through the Section 8, Veteran Affairs Supporting Housing (VASH), Mainstream and Foster Youth to Independence (FYI) Voucher programs. The Housing Authority also manages a Housing Choice Voucher Homeownership Program, Family Self-Sufficiency Program (FSS), Resident Opportunity and Self-Sufficiency (ROSS) Program, and Capital Fund Program (CFP).
