Re: Written Order Imposing 1999 Property Tax Rates for Santa Fe County

Background

On September 20, 1999, the New Mexico Department of Finance and Administration ("DFA") sent to Santa Fe County the property tax rates for the 1999 Tax Year (see attached letter and tax rate schedule). Santa Fe County received this correspondence on or about September 21, 1999.

According to NMSA 1978, Section 7-38-34, the Board of County Commissioners is required to issue a written order imposing the tax rate set on the net taxable value of property allocated to Santa Fe County within five days of receipt of DFA's property rate-setting order.

Recommendation

The County Assessor's Office and county staff recommend that the Board of County Commissioners issue the written order imposing the tax at the rates set on the new taxable value of property allocated to Santa Fe County shown on the attached DFA letter.

In accordance with state regulations, a copy of the written order by the Board is to be sent to the County Assessor's Office.
