

# CO SAFETY STARTS WITH ME!

## Fill in the Blank

Fill in the blanks with the correct words:

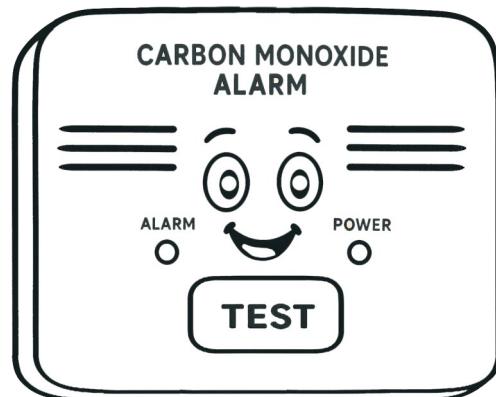

1. Install a CO \_\_\_\_\_ on each floor of your home.
2. Be sure to \_\_\_\_\_ your CO Alarm monthly.
3. If your CO alarm sounds, be sure to get to \_\_\_\_\_ air immediately.
4. When the CO alarm sounds, you will hear a series of \_\_\_\_\_ beeps.
5. Word Bank: fresh • test • alarm • fast

## CO Safety Checklist

- I know CO is a gas I cannot see or smell
- I know what a CO alarm looks like
- I tell a grown-up if the CO alarm beeps or sounds
- I go outside right away if the alarm sounds loudly
- I never play with stoves, heaters, or fireplaces
- I know CO can make people feel dizzy, sleepy, or sick
- I help keep doors and vents clear and open
- I know firefighters help keep us safe from CO

COLOR ME!

## Spot the Hazards!

Circle the things that can make carbon monoxide.

Underline the things that are safe

Car or truck running in the garage

Fireplace with the flu open

A working CO alarm

Gas generator running inside the house.

Gas stove or oven used to heat  
the kitchen

Electric space heater

## My Safety Pledge

I promise to help keep my family safe by:

- ◊ Checking our CO Alarm monthly.
- ◊ Telling someone if the CO alarm sounds.
- ◊ Getting to fresh air if the alarm sounds.
- ◊ Sharing what I have learned with others.

I will be a **CO SAFETY HERO** and help protect my home!
