

SANTA FE COUNTY CLERK'S OFFICE

FOR IMMEDIATE RELEASE

Santa Fe – November 18th, 2022

Santa Fe County Board of County Commissioners Approves Election Results

“The results you see on election night are the unofficial results,” Clark explained, “now that we have completed our canvass, these results are official and ready to be certified.” After the rigorous and thorough post-Election canvassing process conducted by Clerk’s office staff, the BCC has approved the canvass. Santa Fe County’s Election Results are officially ready for state certification on November 29th.

“I would like to thank the Clerk’s office temporary and permanent staff for their hard work.” Clerk Clark said, “The canvassing process can be grueling, but it was easy and efficient this year.”

The BCC had only positive things to say about County Clerk Katharine Clark and her staff. They commended the hard work from both the Bureau of Elections and Records & Recording teams within the office, and the BCC unanimously approved a proclamation thanking Election officials for their efforts.

“This is the first step of the certification process. First, the counties canvass their results, then the Secretary of State’s Office, and then an independent auditor audits the canvass. Because this is a General Election, a mandatory recount takes place for one randomly selected precinct in each county.” Clark said, “This is arguably the best process for auditing Election results in the country.”

The Commissioners approved the County canvass by a unanimous vote of 4-0.
