RE: Request to Amend the Village of Agua Fria Community Plan

Dear Agua Fria Village Association,

Thank you for submitting your request to update the Village of Agua Fria Community Plan. We have reviewed your letter and the justifications provided, in accordance with the Sustainable Growth Management Plan (SGMP) and Sustainable Land Development Code (SLDC).

As stated in [SLDC Section 2.1.9.1](#), the Land Use Administrator may initiate proposed amendments to a community plan and determine a procedure for doing so. Because the Agua Fria Village Association is the recognized Community Organization (CO) for the Village of Agua Fria, your request carries that standing. The topics and issues your Association have identified are exceptionally detailed and give this update a clear, well-defined scope.

County Community Planning staff will work with the community to develop an inclusive public participation plan, facilitate consensus decision-making, and draft the proposed amendments. Staff has shared a draft planning process and will continue working with you to meet your goals while adhering to the SGMP and SLDC.

After review, your request to update your Community Plan is granted. This letter officially initiates the community plan update process. We look forward to working with you and the Agua Fria community throughout it.

Sincerely,
