### Posting: Secured Containers for the 2024 Primary Election

Pursuant to NMSA §1-6-9 and NMAC 1.10.19, the Santa Fe County Clerk must make a certain number of 24-hour, secured containers available to voters for the return of absentee ballots during an election. The locations and information related to secured containers for the 2023 Regular Local Election are below.

Absentee ballots may be returned by the voter or the voter's caregivers by mail or in-person using secured containers, at any Early Voting site, at any Election Day voting site or at the Santa Fe County Clerk's Office. Per state law, "immediate family" means the spouse, children, parents, or siblings of a voter. There will be a space on the ballot envelope where a person returning an envelope should indicate their relationship to the voter.
