

From the Office of Commissioner Miguel Chavez

Romero Park Master Plan:

Santa Fe County is in the process of generating a master plan for Romero Park, a 68-acre area of public land along the Santa Fe River in the traditional Village of Agua Fria, off Caja Del Oro Grant Road. Home to some existing park elements, it also includes the community amenities of La Familia Southside Clinic, Nancy Rodriguez Community Center, and the Agua Fria Fire Station.

We need your input!

Please complete the following brief public opinion survey so we can collect information on community desires and needs for park improvements to Romero Park.
