PROPERTY VALUATION AND CLAIMING EXEMPTION  
FROM PROPERTY TAXATION**

The County Assessor hereby publishes notice to property owners, pursuant to Section 7-38-18 NMSA 1978, as follows:

1. All property subject to valuation for property taxation purposes not valued by the Assessor in 2014 for property taxation purposes must be reported to the Assessor no later than the last day of February 2015, unless it is not subject to valuation for property taxation purposes in 2015. The report must contain the required information and be on a form that is obtained from the Assessor's office. Section 7-38-8, NMSA 1978.
2. If you have made improvements to real property during 2014 and the improvements cost more than Ten Thousand Dollars (\$10,000), the improvements must be reported to the Assessor no later than the last day of February 2015. The information required and the form may be obtained from the Assessor's office. Section 7-38-8 (C), NMSA 1978.
3. All real property owned by any nongovernmental entity and claimed to be exempt from property taxation under the provisions of Paragraph (1) of Subsection B of Section 7-36-7 NMSA 1978 shall be reported for valuation purposes to the appropriate valuation authority. If a change in eligibility status or ownership of the property has changed, the change shall be reported no later than the last day of February 2015. Section 7-38- 8.1 NMSA 1978.
4. If you own property that has decreased in value during 2014, and that property is subject to valuation for property taxation purposes, you must report the decrease in value to the Assessor no later than the last day of February 2015. The report must contain the required information and must be on a form that is obtained from the Assessor's office. Section 7-38-13, NMSA 1978.
5. If you believe that your real property is entitled to head-of-family exemption, veteran exemption or disabled veteran exemption from property taxation, you must apply to the Assessor for exempt status no later than thirty (30) days after the mailing of the County Assessor's notices of valuation in order to be entitled to the exemption from taxation in 2015. Exceptions: If an exemption from taxation was in effect for 2014 and the basis of the exempt status or use is unchanged from that year, application for exemption need not be made for 2015. If you have previously been granted an exemption and now have a change in ownership or status you must notify the Assessor of the change no later than the last day of February 2015 of the change. If required, application for exemption must contain the required information and must be on a form that is obtained from the Assessor's office. Section 7-38-17, NMSA 1978.

6. Property subject to valuation is presumed to be nonresidential and will be so recorded by the assessor unless you declare the property to be residential no later than the last day of February 2015. If your property has changed in use from residential to nonresidential or from nonresidential to residential use you must declare this status to the Assessor no later than the last day of February 2015. The limitation of value specified in Subsections A, B and C under Section 7-36-21.3 NMSA 1978 shall be applied in the tax year in which the owner claiming entitlement files with the county assessor an application for the limitation. The application must contain the required information and must be on a form that is obtained from the Assessor's office. Section 7-36-21.3 NMSA 1978.
8. If your land was valued in 2014 in accordance with the special method of valuation for land used primarily for agricultural purposes, and the land is still used primarily for agricultural purposes, you need not reapply for that special method of valuation in 2015. If your land was valued in accordance with the special method of valuation in 2014, but it is no longer used primarily for agricultural purposes, you must report the change to the Assessor no later than the last day of February 2015. If your land was not valued in accordance with that method of valuation in 2014 and it is now used primarily for agricultural purposes, application must be made under oath, in a form and contain the information required by department rules and must be made no later than thirty (30) days after the mailing of the County Assessor's notices of valuation in order to be entitled to the exemption from taxation in 2015. Section 7-36-20 NMSA 1978.
