**DATE:** April 14 , 2008

**TO:** Board of County Commissioners

**FROM:** Laurie Trevizo, Water Resources Specialist

**VIA:** Shelley Cobau, Building and Development Services Manager

**REF.:** Resolutions 2009-\_\_\_\_. A Resolution authorizing Santa Fe County to receive grant awards from the U.S. Bureau of Reclamation for the Water Conservation Program

**Cc:** Duncan Sill

---

### **SUMMARY**

Santa Fe County is preparing grant application to The U.S. Bureau of Reclamation – Upper Colorado Regional Water Conservation Field Services Program for FFY10 Funding.

The grant award(s) will be used to fund the Water Conservation Program. The proposed projects include partially funding the 2010 Water and Energy Conservation Summit; providing water conservation devices for county owned facilities; addressing the water use in affordable housing.

### **RECOMMENDATION:**

Staff recommends approval of this Resolution to authorize application to The U.S. Bureau of Reclamation – Upper Colorado Regional Water Conservation Field Services Program for FFY10 funding.
